Steamship on title page:
SS Frederick Douglass of the Black Star Line

I meditate Blessing
on Thee, my Family –
to cut the bad vibration,
to heal and restore Thee.
This I visualize and pray
for my Sisters and Brothers:
Learn to practice meditation
of Blessing unto others.

*Negus Negast I.
The time of waiting is over.
At the time when the 7th Angel
is heard sounding his trumpet,
My Secret Intention will be fulfilled,
just as I announced in the Good News,
told to My Angels, the Prophets.*

Rev 10:7

The Repatriation Papers

are recorded by Empress Suzan
to hail the Victory of the Saints – on Earth and On High –
all the Virtuous in History who have suffered under sinners,
the Pure in Christ who know God is in Man (not only in the sky),
Israel People: Boboshanti, Nyahbinghi, Twelve Tribes,
even Emmanuel, Marcus Garvey and Haile Selassie I.

This Trumpet calls all Nations to the One we call Father,
for the Love of Righteous Children and the Promise of ZION,
by the Burning Faith that testifies to the Spirit of the Martyrs,
and because we have triumphed by the Lamb and the Lion.

God judges individuals; He also judges Nations.
This is Just because parents are responsible for children,
elders guide communities and rulers lead whole populations.
When many are led astray it brings down national condemnation.

Woe unto the West in her quest to test the Highest.
RASTAFARI stand in awe before the Judgment of JAH.
Babylon repent! Ye may escape His Wrath like Nineveh.
Or continue like Sodom: Expect Brimstone and Fiyah!

Can any leader shore up a city built of cards?
Does a false state have any right to exist?
Can a wealthy church sanctify a man whose life is hard?
Can Babylon stop the Beast from devouring her flesh?

(Rev 17)

Who is she? The proud Queen of international investment banking,
founded on shares in slave ships, gambling that plunders the poor.
The Earth cannot maintain her vain and scarlet harlot living.
Her world financial empire is rotten to the core.

Now, at the eleventh hour, is there hope she could repent?
The rich man must be wishing he had followed the Lord.
His gold has been squandered, the money all spent –
on his lust for the City, the Mysterious Whore.

(Mk 10:17-22)

She should not be surprised in the time of her decline,
no one will want to drink of the dregs of her filthiness.
Bitter and sour is her fornication wine.
No feast left on her table – now will they eat her flesh.

Jes'us rode into Jerusalem on the back of a young colt,
deliberately, to proclaim Himself without uttering a word.
And for a Sign the King Divine rode on a White Horse.
Those with eyes to see have seen; with ears to hear have heard.

(Mt 21:1-11)

I have seen the Ancestors along the Kingdom Journeys.
They said to plant the garden and fight against oppression.
They said a Day is coming, showed me places dead and barren.
Gather seeds and all your needs and make a clean confession.

The Holy One says to the International Generation:
There is Trouble in the World, but Joy inside the Gates.
Mine Holy Word has never claimed the copyright of men –
not even in the Year of Our Lord Two Thousand Eight.

(Rev 12:7-12)

LETTER TO THE PEOPLE OF THE BOOK

*I saw in the vision an explosion of fire
that appeared like a volcano of lava,
and this was but one of the Visions of Fire.*

The Living Word is the Voice of the Holy One
and all the flocks are gathering in the sheepfold.

The sin of my people, the Black Slave Children,
was one of blood sacrifice offered unto false gods.
Idolaters and spirit workers,
we had forsaken the God of our Beginning.
So we were taken into captivity
and have suffered Great Tribulation
under the guns of the slave masters
during the latter part of the Age of the Gentiles.

We read the scriptures of the Jews and Christians
and some of us read the scriptures of the Muslims.
In ourselves we have re-lived the experience
of the ancient Hebrews of Israel,
subjugated by Egypt and Babylon and Rome.

So many Africans were exiled, over 1000 years,
enslaved by Arab Muslims, 400 years by Christians,
and to this day the Nation has not returned
to Blackest Africa, the Land of our Ancient Selves.
Our Babylon is the West: carnal shrines of Cities.
We pray for Repatriation from Babylon
and Exodus from Egypt and Restoration of ZION.
This Black Israel is the remnant of my children:
the ones who bear witness under persecution.

At the hands of the Gentiles
I&I have suffered so much abuse and oppression
that we have cried aloud for help and revelation
since we know that our experience
has come to the End Times of this Age
when only the experience of the Jews
at their own End Times
when Christ came to them preaching Salvation,
yet the City and Temple and Nation were destroyed
and over a million perished
to the sword and famine and crucifixion
and scores of thousands taken captive
and hounded and scattered, (Josephus Bks 2-6)
while those who had listened
to Christ were delivered — (Jerusalem A.D. 66-70)
only this Lesson can provide us
with Light and Direction
to make sense out of ungodliness
and prepare for a Dread Day to come.

The Slave Children Experience
is that of a repeat of history.
Similar cycles and patterns from history,
in different locations and of worldwide scope:
Full Time to apply what the Saints have learned.

I&I remember Abraham, Jacob, Moses and David,
to whom were given the Promise of Grace
and the Earthly Kingdom of Heaven,
and we remember the lessons of all the Prophets
concerning all the Tribulations.

I&I remember Noah: *Prepare for disaster.*

I&I remember Jonah: *Repent and save the city.*

I&I remember Lot: *Time to flee the cursed city.*

I&I remember Joseph: *Store food for the famine.*

We remember the early Christians
who escaped to the mountains
in accordance with the warnings
of Daniel and the Messiah, (Dn 12, Mt 24)
when the armies of the Romans
arose round about Jerusalem,
and we know these Words of the Prophets
about the desolation of Jerusalem
were fulfilled at the end of the Age of the Jews,
soon after the coming of the Son of Man;
therefore we know these Words
can be applied again
to the end of the Age of the Gospel,
and even His Second Advent.

We have eaten bread of suffering,
drunk water of distress. (Isaiah 30:19-26)

So it is by all the prophecies already fulfilled,
and even by the sign of the Son of Man,
we make ready in Spirit and Truth
for a Judgment Day of Reckoning.

*Wake up! Open your eyes,
or you will not be able to see.
Just as the days of Noah were,
so the days of the presence
of the Son of Man will be.* (Matthew 24:37-44)

Like the Jews we have been punished
for sin — as a Chosen People —
and carried into Exile
and suffered slavery and imprisonment,
even martyred and slaughtered.
Like the Jews we have longed for Messiah,
the Anointed One to come again,
and prayed for the Time of Holy Mount ZION.

There were Jews who became Christian
when the Son of Man first came to them,
as there are Christians who have become Rasta
because He came again in Glory.

Just as the Lion is King among beasts,
so the Rastaman is King in the midst of man.
Unbelievers wage war and try to destroy
every righteous man whom they don't understand.
Tell them we'd have already perished long ago
were it not for the Fire and the Promised Land.

Reformers and Martyrs of Protestant Churches have tried to purge out all the sins of the Catholic. The 7 Seals tell the history of the Christian Church. The 7 Trumpets tell the history of the Fall of Rome. So say the Adventists who restored the Sabbath, and the Witnesses declared 1914 His Advent.

The Witnesses say Jerusalem fell in 607 B.C., and 7 Times then passed over man (Dn 4) before the True King would sit on David's Throne and the world would know God alone commands. Wise men have calculated a biblical year for a day: 7 x 360 years the Throne awaited her King. Jerusalem fell to Babylon, 2520 years passed by, until the War that established the King in 1914. Now, Historians say that Jerusalem fell in 586 B.C. In that case, 7 Times were completed by 1936. This was the year the King Judged the Nations *and each Nation regretted the result that befell it.*

We do wonder why there are godly men who fail to recognize the season of his Coming. For he came on the World Stage as the End Times began with World War One. At that time it was determined by Kings – Allied Kings of Europe and Kings of Ethiopia – that Ras Tafari was worthy to be Heir and Regent to the Ethiopian Orthodox Throne of David since his cousin, Lidj Iyasu, had converted to Islam and betrayed the Christian Throne to the Muslims who had sided with German and Turkish Empires. So he appeared in Great Glory as King and Lord over a nation of many kings, a land of many lords. After the War there were 17 years of peace before the anguish of Ethiopia and exile of her King by air attacks of poison rain from the Roman Military Machine, 3½ years before the start of World War Two. So in 1936 he judged the Nations guilty and prophesied the desolation of the Nations, indeed for their betrayal of David's Throne to the Italians (who in fact are Romans).

So terrible was the War that the sun was darkened, the moon lost its brightness, stars fell from the sky and the powers of heaven were shaken. (Mt 24:29)

The World Wars and the Colonial Divide were drawn along lines of Wealth and Race. Europeans thought that Africans could not govern themselves, and some believed Whiteness is an evolutionary advantage, and that technologies of warfare with tactics of oppression and extermination are proof of superiority within the corrupted race of men. *Pride and Hatred are the Enemy, indeed Racism. There is a Lasting Penalty for continuing in Sin.*

Five years to the day after the day of his exile, the Throne was restored to the Lion of Judah. The history of the War is recorded in his books about the life of the Emperor: The King of Peace.

Now I&I ride forth in Spirit on white horses, in white linen, while RASTAFARI is our Commander and our only Allegiance, and the greater part of Revelation is revealed and we have witnessed unto the Battle of the End which is presently upon us. (Rev 19)

This time has been a limited period of Grace, like the 40 years after the crucifixion of Christ and before the great destruction of Jerusalem. Our Messiah was cut off again in 1974, (Dn 9:26) and the desolation of this dispensation is not for the Jews alone no more.

Scriptures are explained by every denomination and each puts forth its own interpretation. RASTAFARI rise up to fulfill the Salvation. I AM the Church: I come to crown the Reformation.

Rasta know of Redemption for all of JAH People: The Hour is at hand; the Earth shall be restored. We have manifestly the Holy One and the Earth Groundation to sustain us. Come away from the rebellious crowd, come learn to plant and harvest, so that after the end of the Gospel Millennium, some shall live on to sing His Praises.

There are signs and patterns of the Messiah of which only I&I seem to be conscious. Verily Ras Tafari inherited the Title and the Lineage of David. He and his people were surely persecuted by the Romans and again by the Marxists. His Nation was made desolate at the time of the Apostasy of Rome, and again during the time of Famines, even unto this day. He proclaimed Judgment against Rome and against the Nations before World War Two and won victory for His People as the Lion of Judah Prevailing. Yet again the Daily Sacrifice was taken away: He was martyred and cut off again, an aged Lion as humble as a Lamb, yet His Saints are still caught up in the Battle, constant and persevering. I&I have no fear of the Antichrist, only a Dread Judgment.

When I&I say that Man is God and God is Man, we refer to the Oneness; it was so from Ever Since. When I&I speak of Trinity we mean He manifests, indeed in Man as Priest and Prophet and King. Ye who overstand are the Children of Selassie: *JAH was never seen nor heard without Majesty.*

1. TRINITY

In the balanced judgment of Scripture and History
there is found an essence of Truth and Mystery.
The dinosaurs failed the test of their Creator.
What will be His Judgment when it comes to Man?

Yes it could be so – many lifetimes ago –
I&I Ancestors trod out from Eden, southward.
The Rift Valley led us to the whole of Africa
till our lands were overtaken by desert sand,
our rivers were buried in gravel and sand.

It was a Time when Europe went under Ice.
The Sahara and Arabia had been our Savannahs.
Then the rains went away and the dry wind came.
We had to ride out to find water. *Alas, the Fall.*

We had spread across Africa, East to West,
from the Beginning to the Time of the Drought.
Then the desert forced us to the western coast,
or north of the Mediterranean, or east and south.

JAH stopped send rain to the Land of Ancient Man
from Arabia to Syria, from Ethiopia to Mauritania.
Not even our bones can be found in the desert:
parched in the heat, sand-blasted to sand.
It was long before the Flood; we who departed
scattered over east seas and thru the north land.

Some of us journeyed to the ends of the Earth:
places where the sun don't shine so bright,
far from the heart of Mama Africa,
even to the Arctic, the Land of the Night.

When we left Africa our skin was dark,
but fading with every northbound generation,
to better absorb the little fading sunlight,
and the winters were dark and cold.

The farther that people strayed from Garden Life,
the colder the hearts of the Hunters did grow.
Sunlight that warms the tropical gardens
also warms the Gardener's heart and soul.
Now even the Elect have been deceived by illusion.
That is why JAH has shortened the days,
lest we all fall down in the Pit.

*Idren, I give thanks JAH RASTAFARI
because My Lord has carried I on wings
Home to the Original African Way of Living.
Home to the Paradise Garden Way of Living.
Africa is the Spirit and Covenant in I&I Heart
to which I&I have been Repatriated.*

Blessed Love Bobo Ashanti:
Emmanuel High Priest Order of Right.
Peace and Love Twelve Tribes of Israel:
Faithful of Jacob Everlasting Inheritance.
Death to Black and White Downpressors!
This is Nyahbinghi Theocracy Government.

There is One Way: this is the way to ZION. There
are Three Ways in One: Bobo Ashanti, Twelve
Tribes, Nyahbinghi. *Who is Christ?* We know him
by his words, for His Word is True. He came once
as a Lamb and once as a Lion. Let it be known
that the Lamb and the Lion are the Same Man.

Who are Boboshanti, Twelve Tribes, Nyahbinghi?
I&I are the Children (1) of the Merciful Father (2)
guided by the Holy One (3) homeward bound to
ZION. If I&I did not know 12 Tribes, Nyahbinghi
and Bobo Ashanti, then I&I would never know
Israel Trinity. *Who is Jes'us?* He is Just Us.

When a man offends you do you quarrel with him,
or do you swallow that offence to keep the Peace?
Set your own heart straight, try to not retaliate.
If you have any choice it is better to move on.
And if a man has not already sold his salvation,
don't judge him for his faults, but the Good in him.

Some Dreadlocks don't know how to Reason
because we think we are always right.
Some can only repeat what our Leaders say,
never knowing our own Self as the Pearl of Christ.
Certain hypocrites try to corrupt all the concepts,
even fighting a man down if he does not agree.
A few foolish ones claim we are always right
because of the dark colour of the skin.

Do not make your principle
to rule by Pride instead of Reason.
If a One thinks he is always right,
he will sin and not know it.

*Who can detect his own failings, JAH?
Wash out my hidden faults.
And from pride preserve Your Servant.
Never let it dominate me.¹*

Priest Emmanuel Word is to Keep Right Law.
Christ Imanuel Word is Faith Higher than Law.
These Man is One Man, setting a firm example:
Man of Faith and Righteousness is God in Flesh,
and therefore worthy to shepherd the Flocks
instead of bowing to the politicians.

Each Man of Right is Christ in Flesh
and controls the Law in his own Dominion.
Even so, while we sight up God in Man,
please make allowance for a Man's shortcomings.
A Man could have a problem or make a mistake.
I&I are humble to help and correct it.

When a man vex, his brain does short-circuit.
Who can stand firm with Love in the face of Hate?
The Work of the Spirit is to set everything straight.
Flexible bend to be straight.

¹ The Book of Psalms 19:12-13

In the last century I&I witnessed Three High Man:
Behold a Prophet (1), a King (2), and a Priest (3).
The Prophet, like John the Baptist, carried the
WordSound of the Holy One, the Vision of What
Shall Be. The King shone exceedingly bright as
the Father: His Word was True, He was My Lord
Come Again. The Priest was a Son of the Father
Almighty, Black Christ and Moses, shepherding
the Sufferas to come out of Egypt.

*These Three Man sent I&I forth on rough seas
for Repatriation.*

12 Tribes Mission is to Hail HIM King of Kings,
chanting His Salvation to the ends of the Earth.
Bobo uplifts the Priest Devotion,
putting his House in Order at Home.
Nyah has found the Way of Redemption,
trodding the distance on the Timeless Road.

This is my perception of the traditional story,
with its bias and its truth, like any allegory
that tries to explain lost virtue and glory:

In the Beginning JAH gave I&I Three Laws:²
Go forth and multiply. (1)
Govern the Animals and the Earth. (2)
Eat only of Herbs bearing seed. (3)

He showed us a tree and said: *Don't eat from
this tree.* I thought it was a mysterious thing to
say because I could see no fruits on the tree –
only birds singing. Hear what happened:

One day I was walking with My Lord in the golden
green Garden, eating fruits. Over yonder the Tree
of Knowledge called: *Come listen to the birds.*
A serpent came crawling with a Bird from the Tree,
freshly killed, and it gave I a piece of flesh, saying:
Knowing only Good, you should try a taste of Evil.
Then you can choose between the 2, like the gods.

Defiled with the Blood of Innocent Life
shining on my lips,
I saw the serpent rise up looking like an angel,
except for two horns growing out of his head.
My Lord was witness to my temptation.
I saw he was naked, couldn't stop what I'd started.
I yearned for My Lord; it was an empty sensation,
for the Spirit had fled and Grace had departed.
Drunk with new knowledge of Innocent Blood,
Death and Destruction, Lust born of Desire,
I could not bear go thru Death without My Lord
so I kissed him with Blood still on my lips,
which he kissed, surely knowing
it was Blood of a Bird.

So the first-born son
was conceived in the blood of Sacrifice:
His heart was an envious one; we called him Cain.
The sons of Cain still kill their bredren merciless,
while Eve their Mother cries her tears in vain.

*The deadliest sin is to eat something dead
because I&I cannot give the Breath of Life.
I&I sinned the one sin punishable by death:
To Partake of Life Blood, which is Murder.*

Cain used to wander from his bed at midnight
when Satan would call him to torture his mind:
*Adam loves thy brother Abel
much more than thee.*

Even JAH shall prefer your brother's offering.³

Take note that Abel's praise offering was Flesh,
and JAH favoured it over Cain's offering of Ital.
This was because the Lord had cursed the Soil
and cursed Man to kill and eat Dead, for the while.

Have you ever been made to suffer
by a son or daughter of Cain?
Even unto the present hour
they have persecuted the Children of Seth.
They come from every nation and colour,
worshipping the spirit of death.

Death did arise in power when I&I ate dead.
I could not undo what was already done.
I suffered in sorrow with the spiritual sons of Satan,
who dominated me, tho I was Mother of Creation,
down thru all the generations (Gen 3:16)
until I found My Lord again. *Ithiopian Man.*

He says: *Suffer the little Children to come unto I.*
They cannot leave his presence, no ...
until he has given a smile to their faces,
an overstanding to their hearts.

Children of all tribes are born with Adam's sin
and then the sins of their parents fall upon them.
The Saints do not dwell in the pit where we fell.
Christ paid the price so I&I may rise in Grace again.
Sister Ruth came out of the Nation of Moab.
From the lineage of the incestuous
fornication of Lot's daughters.
They were enemies of Israel,
worshipping Chemosh –
this god was fashioned from iron and bronze.
Yet Ruth was chosen to link up with JAH People:
Ruth begat Obed and Obed begat Jesse.
Jesse begat David and David begat Solomon,
Solomon and Sheba begat Meneyelek the First.
Faith is the Knowledge of things yet unseen.

² From *The Book of Genesis* 1:26-31.

³ *The First Book of Adam and Eve* Ch. 76-79 (Alpha House 1927)

JAH loves everyone who is worthy of His Names:
Names of Attributes and Names of Avatars.

*By whatever Name ye call upon Him, it is well:
For to Him belong the Most Beautiful Names.*⁴

There are many who praise the God of Ibrihim:
Some say ALLAH; some call Him after His Own:
Jes'us Christ, Rama Krishna, Gautama Buddha.
YAHWEH speaks softly and the Heavens Thunder.
But most do not know the New Name of JAH.

This Name is known only by the Faithful and True,
the Judge with Integrity, the Warrior for Justice.
His eyes are flames of Fire.

His head is crowned with the Godhead.

His clothes are soaked in Blood. (Rev 19:11-21)

The Name written on Him is known only to Himself:
The Word of God – RAS TAFARI – King of Kings.

I AM the Imperishable One, the Universe, the Fire.

*I return from Age to Age to annihilate deceivers.*⁵

Look to Africa for the Crowning of a Black King.

He shall be the Redeemer. (Marcus Garvey, 1916)

This King is gentle and merciful.

He prays before every decision.

He builds schools and hospitals,

gives land to the landless,

clothes to the naked and food to the hungry.

The Sword of His Word conquers Nations.

Judge of Nations, He judges even the Dragon
(which gave its authority to the Beast), (Rev 13:1-10)
and the Pope bows before His Imperial Majesty:
the Dragon bows to the Conquering Lion.

Born on the first night of Judah,
in the black face of the Dark Moon,
the Lamb has returned as the Lion of Judah:
Messiah, My Lord and King.

(Rev 5)

A new cycle and a new age,
the Ending and the Beginning.

Haile Selassie I: Power of the Trinity:

How We Love Thee, Abba, Father.

*Destroy iniquity from the face of the Earth, and
let every deed of wickedness disappear, and let
the Tree of Righteousness appear; and it shall
become a blessing, and deeds of righteousness
shall be planted for ever with joy. And now all the
Righteous shall escape and they shall be alive
until they beget thousands; and all the days of
your youth and of your old age shall be completed
in peace. Then all the Earth shall be tilled in
Righteousness, and it shall be planted with trees
and be filled with blessing....*⁶

⁴ From *The Holy Qur'an* 17:110.

⁵ From *The Bhagavad Gita* 4:5-11, 9:11-19.

In this world each religion claims all the Right,
yet contradictions abound thru all the Scriptures.
Long time JAH has permitted confusion to go on:
It was not the right time to complete the picture.

Remember JAH told Adam to eat only of Herbs
and He required of Noah to abstain from blood.

Yet He gave a command to Moses

that only certain flesh is unclean.

Then He changed it all up again with Peter
when He told him to kill and eat everything.

The Holy One tells us just what we need to know
in every generation and each different nation.

Moses People would never have known Him at all
if He had said eating Dead is what led to the Fall.

So too the Pagans would not have chosen Christ
if He did tell them to leave out their favourite swine.

Overstand God's purpose is for All to Know Him;
after that He can pull up anyone who's out of line.

Apostle Paul believed that Vegetarians are weak,
and displaying little Faith by their choice of food.
Because if they are strong with their faith in God,
they will give thanks for Dead and eat it up good.

JAH said to the Hindus: *Don't eat no cow.*

He said to the Christians: *Eat any beast you wish.*

JAH said to Muhammad: *You must eat halaal.*

He said to Priest Emmanuel: *Allow the people fish.*

So when it comes to food the Spirit says to I again:
As it was in the Beginning so shall it be in the End.
I have given you every Herb Bearing Seed to eat.
Herbs you shall harvest and this will be your meat.

*When I gave you full freedom to eat all flesh,
it was My Meditation to put each One to the test,
because any loving heart would break down and cry
to eat a Humble Animal who didn't want to die.*

*The Dominion over Animals I gave unto Man
is not to advantage, kill and devour.*

*I said all flesh is clean to weigh Love in the balance
and see whose Heart is Merciful unto the final hour.*

Listen to the Rain approaching from over the hills,
blessing these Mountains of ZION.

Here the Idren gather to sing a New Hymn
to the Lamb with the face of a Lion.

Melchizedek music, even Daniel music:

I&I sing an ancient New Song.

Nyahbinghi is our weapon and shield: *Chant on.*

Israel is gathered out of every language and nation,
on the Hills of Grace, stretching across the Seas.
From sweet JAH Mek Ya to blessed La Trinity,
Ras Tafari is King of Kings in the West Indies.

⁶ *The Secrets of Enoch* (from the Ethiopic)

2. PRIEST

At the hour before dawn I was in a vision listening to a rhythm from the early days, a woman singing:
*From bondage to bondage was my Emancipation,
from Roots to RASTAFARI is I&I Repatriation.
Emmanuel My Lord is most humble in Creation.
My Love, My Lord is Boboshanti Man.*

A woman outside come sweeping the pathway.
Hearing the soundtrack, she reach by my window saying: *That was I Woman singing, you know.
I never know people was still listening to that song!*

She smiled wholeheartedly and I was astonished to think that she loved a Priest of Bobo Ashanti because in them times Boboshanti did not mingle with Indian Woman, for the spiritual purity of Israel.

Waking from the vision, I studied the situation: The Sistren who loved a Dread of the Ethiopia Africa Black International Congress was from East Indian lineage, but Emmanuel say Black People must not mingle with people of foreign nations.

The Indian woman's hair was long and flowing, I could see it was tangled by the breeze.
Even so, she combed her hair every morning.
She had no Covenant on her head.

Furthermore, I could say that according to her tradition, she did eat pumpkin and yam and many foods from the vine.
Yet Priest has a principle not to eat from vine, for so he say it was written: the *Nazarite Vow*.⁷

And again I could say that according to her nature, she had been a Freedom Fighter so many years, she did not keep the principle of staying in house and secluding herself even from her own spouse.

Yet Emmanuel say Empress shall stay apart for 14 days out of every monthly cycle, that her wisdom reach heights like Kilimanjaro and her discipline flow like the Nile.

The Indian Woman come Conscious because of reggae music, yet Priest Emmanuel say we must use only drums.

One midday Emmanuel came walking quietly thru the streets of Kingston:
From whence did he come?

Without Father he came, without Mother he came.
Yet Father, yet Mother; no one was left undone.
*You are a Priest of the Order of Melchizedek,
Now and Farlva, Selah.* (Gen 14, Ps 110, Heb 7)

Lingering in these heavens a little while longer, I saw that by the appearance of her countenance the Indian Woman was surely a Blackheart Queen. Her heart was wide open to the whole human race. She loved sinners and saints. *Who has not sinned?* She even loved the ones who are led astray. She would pray for the sheep lost in Babylon City, and most of all she loved the Black Survivors.

My Idren, I have not come to disrespect no one, but to help make everything straight.

Priest Emmanuel was so righteous with High Principle and Purpose that he even fixed law to be flexible to change, to be reasonable and not oppressive.

I&I reason for rights and for higher heights. Every family and generation shall reason its own principles, even tho some laws are I-ternal.

This is how it was in Congo Africa: Reasonmant was the Law, Law was balanced with Grace. Priest, Prophet and King must live foundation Africa if I&I want to reach where we are sailing.

It is Priest Emmanuel who put I&I on these ships, 7 or 9 miles of highwater ships: *The Black Star Line*.

When Emmanuel said Black People must not mix with other Nations, it was from the pain inflicted by White men who sold him into slavery, brutalized and castrated him, murdered and corrupted him, drowned, starved and crucified him for 400 years.

My Lord looked to the Hola Word, I&I compass on rough seas: it is written that Israel must not marry the foreign nations, neither mingle with Moloch, the evil god of the Ammonites and Assyrians. Forthwith the Holy One revealed that Black People must embrace Blackness so that RASTAFARI shall not be defiled by Moloch White System.

I shall unfold to the I the Law against Moloch: *It is a fiery furnace god who eats little Children.* Every day the Babies are sacrificed to Moloch. That is why JAH said not to mingle with Moloch, because these people disgrace themselves worshipping a god of abomination.

King Ahaz burned his son as an offering to Moloch and King Manasseh also passed his son thru fire. These were rituals of pain, even self-mutilation, and sacrifice of human life to raise the king higher.

The King of Moab sacrificed to Moloch in battle, slaughtering his son upon the city wall. (2 Kings 3) Yet his armies were routed and all the towns taken. It is still the Duty of Israel to make Moloch fall.

⁷ The Book of the Law of Numbers 6

The Law against Moloch is not to worship idols;
idol-worshippers come in all colours of skin.

All nations have been guilty of idolatry and sin.

Therefore Israel must never mingle nor marry
with the sons and daughters of Babylon,
because they bow down to Moloch,
the god of Hollywood and Rome.

This is a god of Lust and Greed
for Power and Money; he feeds on Death.
To him the Unborn Babies are sacrificed,
and the Saints: the Prophets and the Martyrs.
Moloch's wine cup is the blood of Innocent Ones.
His destruction is the Hymn I&I chant together,
and a Prayer for Judgment, Fire on the Altar.

Turn away from desire for things of the System.
Now is a time to want little; you will have enough.
Priest Emmanuel did accept all race on ZION Hill
once the heart is right and the works are clean.

The Truth is the Sacrament. I will show the Idren
something about the Vow of the Nazarite: Long
time this was a Covenant that a man could put on
like a cloak. He would wear it for a time and then
take it off when he had fulfilled his Promise. In the
days of Moses it was not expected of an ordinary
man to carry dreadlocks for all the days of his life.
Consecration required a male lamb for devotion,
a female lamb for sin, a ram and a basket of bread
for communion. His Locks did grow free as a sign
of separation unto the Lord. He would not come
near no dead nor drink wine from the grapevine
until the day of the fulfillment of JAH blessing
when he carried the 3 sheep to the Priest in the
Holy Place where they were offered up unto the
Lord (draining the blood, never breaking a bone).
Sacrifice was a rite for praises and purification,
repentance and atonement for the sins of the
Nation. His sanctified Locks were shaven and
burnt in the communion fire at the Tent of Meeting.

The first-born of Israel were consecrated Nazarite;
they carried the Vow all the days of their lives.
So it was that certain Ones like Sampson, Samuel,
John the Baptist and Mother Mary never cut their
Locks, neither the Son of Man, Jes'us Imanuel.
Still the Nazarite Covenant is like circumcision:
just as I&I are circumcised in our hearts, so I&I
may carry the Vow in I&I hearts. Even so, I&I
Dreadlocks Vow is the Seal that gives I&I Third
Eye Vision to pass thru Tribulation while I&I
free the Nation, Natural Freedom that raises I&I
to Life in the Blood of the Lamb Resurrection.

*Why does a young man desire to be bald?
What possess a man to shave to look like a girl?*

I&I know it is the same Sodomite spirit
who has spoiled the West and soiled the East,
who led the youths astray,
molesting them drugged and naked
in a place of shame: a church or a slum,
where the Devil sells poor boys and urchin girls
for rich boys and roman priests to have some fun.

To shave is to bow to the Dragon of Rome.
Selassie is a Man did always keep his beard.
But never mind that....

Not every dreadlocks is a brother to the poor.
Not every baldhead is a wolf at the door.

Remember JAH Himself came to Jamaica with the
very said comb that had him moving as a political
statesman amongst the Nations. He requested
of the Heads of State to be given audience with
a council of the Idren. When Selassie asked
the Bredren about the Natty Locks on they head,
I&I explained to HIM how I&I let the hair grow in
holaness according to the Nazarite Vow. Hearing
this WordSound, His Imperial Majesty wept and
his heart was filled with joy to meet a People
who call I&I Self after His own name: Ras Tafari,
a People who have chosen the Covenant Way.
He had summoned a Nation He never knew.

Those unknown to Him gathered round Him. (Is 55)
It was then that the Man did know his life work was
accomplished – He who is Most Royal yet humble
in his heart to kneel and pray three times a day.

Yes, the Lion of Judah had broken every chain.
On that state visit to Jamaica in 1966, the Lion
met the Lamb in flesh: Haile Selassie I blessed
My Lord Emmanuel Charles Edward VII, the
Lord Servant, and gave unto him the Promise of
Repatriation. Emmanuel presented the Promise
to the U.N. Center for Human Rights, but Black
People were rejected for not being a member
state, and so he blazed Guilty Judgment upon the
United Nations: Emmanuel worthy alongside Haile
Selassie and Old Marcus Garvey to establish
a line of Priests and Prophets and Kings. (Rev 5:6-10)

Emmanuel, My Father, here is a fact from history:
The Bible never says not to eat from all Vine.
I will show you a point which I know you will see
because you always uplift right reasoning,
and as I listen to You, Beloved,
so You would listen to Me.

The point of the vine is that a Man is not supposed
to get drunk, especially when he is crowned with
the Godhead. The vine that was forbidden is the
grapevine that Israel people trod on, even in the
winepress. *To Seek Meaning is the Sacrament.*

The Nazarite was required to stay so far from alcohol that he must have no part with the grape, lest he should be led to partake of strong drink, and drunkenness should cause him to corrupt and forsake the purification of his Covenant. This law against the grapevine was for a lawless people. Let I&I interpret the Law positive, My Lord, to overstand its true purpose. *In all things the Nazarite demonstrates discretion.* I&I don't deal with drunkenness: I&I love we little Meditation Herbs. The grapevine was outlawed as a decree against drunkenness; let I&I therefore uphold the Law against drunkenness. The other vine foods were never abolished; indeed the time is coming when yam flour shall be a source for I&I survival. In the hills and valleys the Father has blessed I&I with pumpkin, caraili, ground nuts, christophenes, cucumber, sweet potato, watermelon, bodi beans. *He has given I&I every Herb Bearing Seed, even vines, to be for I&I as meat.* This is the Original Law, given unto I&I when we were still Innocent, and this is also Good Nutrition: Abundant Ital.

How many people are without food in these times, while their crops and cattle die for lack of water? Tens of millions of people face famine already, falling off the edge of terminal starvation.

He who has overstanding: *Mystery Redemption is the Sacrament.* I&I have many views and orders, yet all must bless Emmanuel. Rasta could not diss High Priest Emmanuel. Who among the Poor and Have Nots did stand up for Black Consciousness, the loving faithfulness of the Black Race? Who healed the sick in Spirit and Flesh with Herbs from Mother Earth? Whose WordSound of 7 Psalms still frees Ganja Man from the prisons? Whose Tabernacle Order, Royal Vestments, Turban and Robe have re-connected I&I to the Ancient Ises? Who took upon himself authority to correspond with Queen Elizabeth, even the United Nations, demanding Black People Right of Repatriation, Judging the Leaders in the Courts of the People? Who clothed the naked, sheltered the homeless, fed the poor and hungry, set the captives free? *Emmanuel fulfilled his Faith: flowers and fruit.*

Who hammered the swords into plowshares and banished Rome from the Tabernacle? Who gathered the stray sheep from the roadways and placed I&I at the Altar on the Sabbath?

Who called the Youths out from the ghetto and summoned I&I to the Congregation? Who established gardens and self-discipline out of defilement, abuse and desolation?

Remember Back a Wall back in 1958: Prince Emmanuel and 3000 Idren congregate. For 21 days I&I reasoned and prayed while the police turned vicious and the wicked were afraid.

Emmanuel came to restore Black Culture to a People victimized without any reparation. He said: *Never mingle with the oppressor.* He upheld the policy of race separation.

Every Nation under its own vine and fig tree. Queen of Babylon must let Black People go. Still I wondered how Black Supremacy could redeem the Race of Humanity: *What was Emmanuel Reasoning when he say so?*

So then My Lord Elijah explained to I Woman: *Listen, that ye shall overstand:*

White people must get a racial conviction, and all race who scorned Original Black Man. Yet now that Emmanuel has judged the wicked, Black People within strength must use discretion. No need to reject anyone who come humble. Emmanuel purpose was to teach a hard lesson.

Remember God is Love. Let us all Love. Therefore it is right to ease up the restriction. JAH is ever-merciful when Man is repentant, and everyone has a right to appeal a conviction. Every nation and race could repatriate to Black. Remember Africa was the birthplace of All Man. All who commit to Israel will blend into Blackness to share the Earth communion, and this is JAH plan.

What then, I asked, is the answer to the question: Is Selassie King of Kings or is He really God? And Ras Elijah said: Don't get tie up with words. Keep your Heart clean and pure on the road that we trod.

Man should have but One concern: by the Grace of God to save his own Soul. Many more will be saved if you set yourself Right. JAH will dwell in the I also and make I&I Whole.

But how, I said, could it be right to worship Flesh? Elijah said: Without Flesh, He cannot full Manifest. The Holy One lives in all Creation, even His Righteous Children who are worthy to be praised and blessed.

And this Word Sound gave I a feeling of peace. I Woman cannot rest until a concept is justified. That is why I honour the First Black Man: He has truth and wisdom to make I satisfied.

Emmanuel said: *No gun could stop Prophecy. No battleship could stop it, no nuclear weapon could stop it.*

We are the first Nation who stand for Right upon the face of the Earth.

Other Nations have not followed the plan of God, except the Black House of Israel.

Emmanuel came forth with the Blessed Assurance. Like Moses he begged JAH pardon for the Nation. Priest of Boboshanti: Black Man, Woman and Child, making manifest in Man the Holy One of Creation.

My Lord liked to hum and enter a meditation. When he returned he would speak of his visions. Interpreting dreams, he applied conscious wisdom, and told of herbs from a Man yard that would heal his afflictions.

My Lord said: *Black Supremacy stand over all. Christianity is lost, religion is lost. The bishops and the parson-them, they cannot bring forth witness to prove that God is not Man in Flesh.*

Them say God is a spirit up in the sky, yet they could not go in the sky to find a spirit there.

Bring all the book you have, even the Bible, and declare how God is a Spirit of Flesh.

We deal with the Living, we don't deal with the dead.

We are coming to tell the world that Man is God and God is Man!

Anyone come and say, God is a spirit – he is not of God.

Anyone come and say, God is in Flesh – he is a Man of God.

Glory be to the Father, the Son and the Holy One of Creation. He created Man in His Image. He created us all in Glory.

So We are the Glory of our Master, our Father.

High Priest said Man of Right is God in Flesh. Just as Woman of Right is Goddess in Flesh. He also said Woman shall lead us to ZION to rule with Man in Paradise, Humble and Blessed.

The gift of Earth is for those who live Right. You have to live free,

in love and truth, Natural.

Those who view it only thru the distorting spectacles of science and technology cannot hope to attain true knowledge of the Earth's inner workings.⁸

Emmanuel, Ancient of Days, laid his structure down so his sheep would learn to be Shepherds of Man. The Prophet of JAH is a Priest of Melchizedek, and the Priest is a Prophet; Initiated we stand.

I&I have seen an Angel of Judgment in the city. From Babylon altar he burns the city down. He was blessed by the Priests of Emmanuel Order to rise up under Boboshanti Turban Crown.

This Man is a Champion for Truth and Justice. In the cities of Pharaoh he has taken command, trumpeting the battle call as Gideon routed Midian, chanting fire pon Rome at the steps of the Vatican.

This is the singer called *John the Baptist*, the conscious entertainer: Anthony B, a voice crying in the wilderness: *Live Right, Live Clean.*

Come and learn the Livivity of Bobo Ashanti.

Ye shall know the Saints by their Perpetual Love.

World-wide the Man has witnessed

that the People are suffering.

Racially he does not discriminate.

Neither does he live in hate,

and he prays for revelation of prophecy.

Stand up on your own and plant your own corn.

Like every Man of Right, My Lord abides with Law, fulfilling his purpose to enlighten the heathen:

Stop bow to Pharaoh, come Children of JAH.

Conscious musicians lead the Exodus with Music.

The horns and strings are the Staff in their hand, leading many out of Egypt to join the Congregation of Daniel Drums: Number One Band in the Land.

Emmanuel said that reggae leads to six-foot-six.

I&I know the dancehall is not no place in ZION.

Yet if a reggae superstar keeps Sabbatical Order then in My Father's House are many Mansions.

The Reggae Musicians are on a Gospel Mission: *Every knee shall bow and every tongue shall tell.*

Come! The Musicians are on a Rescue Mission:

I can testify their Words have released I from Hell.

They told I to follow follow follow Marcus Garvey, even Haile Selassie and Priest Emmanuel.

Yet still I do agree with Emmanuel's teaching when he said reggae music cannot carry us ZION since everything commercial must come to an end and the drums sing praise to the Conquering Lion.

High Priest set Principles of Peace and Sanctity.

Hand over all the Poor and Have Nots unto me.

From sin and condemnation My Lord was set free because he loved not the world and lived privately, exiling himself for Mercy unto Cycles of Eternity.

Blessed be JAH: His Saints rise up Itinually.

⁸ Emmanuel's Word quoted mainly from *Dread: The Rastafarians of Jamaica* by Father Joseph Owens (Sangster's Book Stores Ltd., Kingston, 1976), pp. 39, 86, 117, 122, 129, 130, 134, 145, 146.

3. KING

What is the reason for violence and oppression?

Until the colour of a man's skin

is of no more significance

than the colour of his eyes ...

the African Continent shall not know Peace....

*Ever since the stone age the production of arms
has been the source of man's own destruction.*⁹

Racial hatred and war go together, hand in hand.

It doesn't seem to bother men to kill other clans.

Two-faced Americans object to genocide in Sudan,
but do they plan to recompense Indians their land?

Indeed, greed for land brings out the Beast in man.
It will only get worse as the deserts expand.

How can men expect to conquer crime in the city?

They know the toil for food is hard and increasing.

Is not banditry a fruit of corruption and poverty?

In cycles of downpression and struggle unceasing.

The jumbie of the system is that money can buy
a solution to every material crisis.

That is why my people must wail and cry:

The Earth can't supply what men are demanding.

Without a doubt that must affect the prices.

To Twelve Tribes of Israel – JAH Chosen Ones –
entangled in Roman times and Roman systems,
please remember: *I&I calendar is not from Rome.*

Jacob's almanac was the sun, as it was written:
*I placed the sun that it should go according to the
signs of the zodiac, twelve, and I appointed the
succession of the months and their names.*¹⁰

<u>Son of Israel</u>	<u>Month of Zodiac</u>	<u>Roman Months</u>
Benjamin	Aries	Mar 21 - Apr 19
Reuben	Taurus	Apr 20 - May 20
Simeon	Gemini	May 21 - Jun 21
Levi	Cancer	Jun 22 - Jul 22
Judah	Leo	Jul 23 - Aug 22
Zebulon	Virgo	Aug 23 - Sep 22
Issachar	Libra	Sep 23 - Oct 22
Dan	Scorpio	Oct 23 - Nov 21
Gad	Sagittarius	Nov 22 - Dec 21
Asher	Capricorn	Dec 22 - Jan 19
Naphtali	Aquarius	Jan 20 - Feb 18
Joseph	Pisces	Feb 19 - Mar 20

A Day approaches when days will no longer be
counted; in the meantime Rome confuses us by
shifting the Days and the Hours and the Truth.

How did the Sabbath slip from Saturday to Sunday
and the start of Judah backslide 22 days to July 1st?

⁹ Haile Selassie I: 1963, 1964. From *The RASTAFARI Ible* by
Jahson Atiba Alemu I (Research Assoc. School Times Publ. and
Frontline Dist. Intl., Inc. 1996, pp.55, 62).

¹⁰ *The Secrets of Enoch* 30:6

How did the Hours jump forward so the 1st Hour of
Dawn is 6 o'clock? How did fashion of the System
become dress for worship? How did Satan change
his name deviously to make the lie called Santa?
How was the birth of Christ mixed with the drunken
feast of dead swine? In this way pagan rites and
the Roman practice of gratification of the flesh were
imposed on the world, and this is the matrix that
brought about the corruption of Christian teachings,
establishing an order of priests in Sodom who
claim for Caesar what is due unto RASTAFARI.

For each One of I&I appointed to do JAH Work,
the Devil has possessed a legion of vipers
who sign in blood their mission to destroy us.

Let I&I JAH Children shield we Locks in Rome.

This is I&I antenna receiving cosmic vibrations.

In the cities of distortion, pressured by the wicked,
the vibes we pick up are evilous and filthy.

To uncover the Natty Congo
is to lceive a corrupted wavelength
on the receptors of I&I Covenant
revealed to the Blasphemers.

And so some among us behave as the Romans,
exposing the flesh like unprincipled women,
eating all flesh, abusing rum and cigarettes,
wining in the fetes, behaving like puppets.

When a witch plucks one hair

from I&I Consecration,

she uses it for abomination,

devastation and desecration:

Please protect I&I Hola Sanctification.

*Come mek we fly we Locks in the Hills of ZION ...
skipping like lambs and jumping like rams.*

Mek we loose we Dread long

by the high mountain rivers

where all of Iration is at I&I footstool.

*These are the places of Iditation and Healing,
a high rock and fortress*

where the wicked can't touch us.

This is where King Alpha

goes walking with his Empress,

speaking with the Animals

while she sings to the Birds.

Here is the source from whence the river flows.

ZION: a thousand springs are gathered in Thee.

Israel is exiled, cannot find his way home,

for the entire world is the empire of the Beast.

Father, where is the Garden of Paradise?

The Land of Milk and Honey.

Where is the Promised Land of Peace?

Without no war, neither money.

Give us strength; we have trod the rocky road long.

ZION is no longer in Jerusalem.
It is no more even in Addis Ababa.
Everywhere is cursed with cities
just like Sodom and Gomorrah.

So Israel travels to distant lands,
like Selassie bringing hope to the people.
Here a sufferer, there a sufferer,
everywhere is brainwash and oppression,
everywhere a need for prayer and education
for Conscious things and Righteous ways.

*It's the Love we share – not the clothes we wear.
Always chant Guidance and Protection Prayer.*

Twelve Tribes respect a Man Identity.
Nah dictate to him what to believe.
The principle upheld is Unity in Diversity,
Inity in Iversity, out of Many cometh One.
The Universal Self is the Iniversal JAH.
I&I is a Buddhist medi: God-in-Self Connection.
If a One is wrong, show him something Positive;
that is Israel Strength: teaching Upful example.
There is just One Law and that is *The Law of Life:
The Law of How to Live.* As it was told to I&I by
Selassie Son Bob Marley who dances like David
before his Father's Throne, and preaches like
Jes'us the Truth that men disown.

I&I Kings are not like the kings of Rome.
I&I Kings are on horseback –
not sitting in castles –
but riding White Horses to the Frontline of Battle:
Champions and Martyrs, Armageddeon Soldiers.
Rasta for I and Rasta far eye.

Each Warrior King has won so many battles
for JAH, and behold, each One is taken up to HIM.
*Their Prince will be one of their own,
their Ruler come from their own people.* (Jer 30:20-22)

Ras Tafari is the Man who did stand for Peace,
even as he conquered the Dragon and Mussolini.
Yet the Armies of Hell destroyed his Temple.
He was victimized for his Victory.

Bob and Peter were Lions who attacked the Beast
which downpressed us in mental slavery,
so the swords and spears were raised against them
and their flesh was cut down for their bravery.

Lucky Dube awakened the Conscience of a Nation,
crying out for the Children and Nelson Mandela.
But they cut him short – Rasta Freedom Song –
while poverty and greed still consume South Africa.

Father Garnett was our King.
He also won his crown like David,
raising his army to the light
when we stumbled in darkness.

He is an Angel of RASTAFARI
without any vain pretension.
Just like Enoch, Elijah, Imanuel the Christ,
he is raised in the Ascension.

And like a Lamb he is sacrificed
by Satan's hordes advancing,
and the battle getting hotter
and a next King rising.

Israel's King is his God, Truth is his Freedom.
His Body is a temporary sanctified Temple.
Cherish the Youth from every Tribe.
They are tomorrow's Empress and Emperor.

Selassie: Son of Jacob, Judah,
Son of David and Solomon,
Son of Adam and Abraham,
Father of Africa, King of Creation.
*I once said: You too are Gods,
Sons of the Most High, All of You.* (Ps 82, Jn 10:22-39)
(And each time you repent your wings grow.)

It was respect and admiration
for education and civilization
that inspired My Lord to embrace the West.
But the corruption of western bureaucracy,
the savagery of western military,
and the deceit of western philosophy
rained destruction and blood
even where My Lord had progressed.

I know about a quarry man
who is pulling down an ancient mountain.
When that mountain done he'll take a next one.
What of the everlasting hills?
Does this mean JAH is dead?
Or that Earth is not ZION?

The Coptic Priest said Solomon had 3 Sons: 1) the
firstborn Meneylek, whom he crowned David, King
of Ethiopia, 2) Rehoboam, King of Jerusalem, who
consulted false gods, 3) Adrami, born of a wise
Astrologer's daughter. Adrami married a daughter
of the King of the West in the fishing and trading
city called Byzantium and Constantinople (Rom).

I&I know that Meneylek traveled to Jerusalem
to meet his Father and study the Law of Israel.
Then he returned to his Motherland, Ethiopia, and
begat the generations fulfilled by Haile Selassie I.
Solomon chose the firstborn sons of Jerusalem
who would journey to Ethiopia with his eldest son,
King Meneylek – sons of Priest, Prophet, Scribe,
Commander, Soldier, Messenger, Administrator,
Servant, Leader, Judge, Workman, many different
occupations. These were 21 Bredren appointed,
who would father the Amharic race of Ethiopia.
Then Solomon blessed Meneylek, chanting:

*Be thou full, and not lacking in fullness;
 be thou perfect, and not lacking in perfection;
 be gracious, and not obstinate;
 be in good health, and not suffering;
 be generous, and not vindictive;
 be pure, and not defiled;
 be righteous, and not a sinner;
 be merciful, and not oppressive;
 be sincere, and not perverse;
 be long-suffering, and not prone to wrath.*¹¹

The Idren wept to leave the land of their people, so they made a secret plan concerning the Ark of the Covenant, the Tabernacle of the Law of JAH, containing within the stone tablets of the Ten Commandments, even the promise of ZION. Directed by Destiny and fearless in Faith, even guided by the Angel of the Lord they came like thief in the night to take ZION from the Inner Sanctuary of the HOLA of HOLAS, replacing it with a wooden box under its covering and carrying it into hiding, making it their altar and guiding light, so that when they departed Jerusalem the Archangel Michael carried ZION on wings out of Israel, over Egypt and down the Red Sea (the Sea of Iritrea) even unto the Land of Sheba. The firstborn of Israel and Ithiopia were singing Nyahbinghi Hymns and beating Heartbeat Drums and tambourines, even playing harps and flutes so the waves of the sea and the birds and thunder and lightning joined in their mystic music.

So ZION left Jerusalem and the City wept for her Sons and Solomon cried out in dread premonition:

*Alas for the Glory of the Children of my People,
 for our Kingdom has departed to a foreign land,
 to a People of whom the Prophet said,
 'They who know Me not shall heed My Command.'*

*Ethiopia shall bow before His Majesty
 and all Nations shall kneel in the dust.
 Ethiopia shall stretch forth her hands to God,
 and all Nations bow to HIM; in this we trust.*

*JAH loves His City on the Holy Mountain.
 Out of all the towns in Jacob, He loves no other.
 By a Man, the Law shall be given unto them,
 and they shall call ZION, 'Our Mother'.*

*Will this Man be my Son who is begotten of me?
 Thru him will ZION now depart the Land of Israel?
 Nay, that could only happen by the Will of God
 and where the Ark of ZION chooses to dwell.*¹²

¹¹ *Kebra Nagast (The Book of the Glory of Kings)*, trans. by E.A. Wallis Budge (The African Islamic Mission Publications 1988, p.72).

¹² Adapted from *Kebra Nagast*, pp. 74-75, 35 and *The Prophecies of Isaiah* 65:1 and *The Book of Psalms* 72:9-11, 68:31, 87:1-7.

All the time Solomon was meditating upon his Son, ZION and Meneylek journeyed swiftly to Ethiopia. Solomon called for the High Priest and related the vision that had come in a dream when he lay resting with the Child Mother, Queen Makeda of Sheba:

*A brilliant sun came down from Heaven
 and shone with great splendour over Israel.
 Then it flew to Ethiopia and stayed there forever
 because that is where it wanted to dwell.*

*Then another Sun came down to Judah
 and sent forth a light much stronger than before.
 But Israel would not walk in the light thereof
 and wished the Sun shine not with them any more.*

*By their hatred they cast the world into darkness.
 They destroyed his light and cast him in a tomb,
 and set a guard over the tomb where they cast him.
 In him they saw rebuke and witness to their doom.*

*Yet He came forth where they did not look for Him,
 lighting up the whole world: the First and Last Seas.
 He blessed the True Israelites of Ethiopia and Rom,
 and abandoned False Israel, even as He pleased.*¹²

So it is revealed in the Coptic pages of the *Kebra Nagast* that 3 Holy Kingdoms branched forth from Solomon, son of David. His seed took root even in three Kings: (1) Jes'us Imanuel, ascendant of King Rehoboam, (2) Haile Selassie I, ascendant of King Meneylek I, (3) a son of the West, once from Byzantium (Rom), ascendant of King Adrami.

*Who is this third King, the western branch and
 offspring of Solomon's youngest son, Adrami?*

Solomon sent Adrami and the chosen lastborn sons to establish Israel's God in the City of the West.

The lineage of Adrami has been lost in time.

We must know him by his words,
 for his Word is blessed.

He chants down Babylon with WordSound Divine,
 crying out for the Downtrodden
 and standing up for the Oppressed.

This King was born into a Colonial Culture.

Emmanuel guided him to know Israel Law.

No water could have any power to quench him
 because he is burning with the Fire of JAH.

In the early centuries after Christ Jes'us was crucified the Roman Empire spanned the Middle East, North Africa and Europe. Original Fascist, vicious and oppressive, Rome established martial law and order, collecting taxes from every nation. Under Roman rule, men traveled far and between, from Egypt to Palestine and north to the great city of Byzantium where the West stretched far away before them, even to distant Isles of Britain.

In those tyrannical days of the Roman Empire, the Eastern Rome of Byzantium was the center of trade between China and the Celtic lands, even Africa and Europe. In Byzantium King Adrami had established his seed. Constantine came from the West and rebuilt the great city, destroyed after long centuries of Greek and Roman wars; the city was called Constantinople. He was the first Roman Emperor to invoke a corrupted form of Christianity that appeared to him in a vision: the Cross and the Sun. The Romans said this sign foretold of Constantine's victory in war, but I&I know Christ is not a war god, and we also know the Cross is a symbol of human sacrifice. *Rather it was a vision of how Moloch, the terrible and vile Assyrian spirit of Sacrifice would unite with Mithras, the Roman Sun god to establish the Roman Catholic Church.*

Even tho Christ had bound the Dragon in chains, by corrupting the Church, Rome increased in might. Popes sanctioned centuries of murder and slavery. In that dark night Martyrs flamed like little Lights.

The Goths burned the Empire: cities and villages. The Vandals burned fleets of Roman ships at sea. The Huns took the Alps, source of many rivers. Bitter was the drink the Romans drank of defeat. Western Rome fell: Provinces, Senate and Caesar; Eastern Rome besieged by attacks of the Muslims. Islamic horseback riders captured Constantinople, fire and sulphur smoking from guns and cannons.¹³

But the Roman church would learn nothing from the punishing Hand of God. And still the spirit of Rome prevailed in the empires of Portugal-Spain-France-Italy-Germany-Russia-Denmark-Holland-Belgium-Great Britain, who colonized Africa, India, Near East and Asia, Australia and the Poles, North-South-Central America, Pacific and Caribbean Isles until Britain commandeered the waves, spreading the political doctrine of the Anglican church of the Royal Realm, the proud vanity of Elizabeth the 1st, and the piracy of the gothic Viking Dragon spirit like a disease on the breeze of the slave trade winds.

Down thru the plagued and superstitious ages, Europe was the grounds for every kind of magic, mixing Celtic Baal decoration of Death with ritual sodomy, sorcery of Egypt and Masonic Kabbalah, perpetual sacrifice of Christ that is the popish Mass. Roman Armies and Languages and Persecutions had moved westward. The name of the Roman Emperor Constantine had been adopted by Kings far west in the British Isles beside the North Sea.

Like the parachute seeds that fly on the wings of morning, consider if the seed of King Adrami did blow west over Europe to England.

Catholics and Anglicans burned Reformers alive. Some were sold to the Colonies, even as white slaves. Puritan Christians of Europe did flee to the New World, trying to escape the Dragon churches. But the New World was corrupted as Protestants bought and sold African Slaves and Catholics conquered the True Americans. Genocide is how the White Men won the West. White Christians opposed to slavery were persecuted in the West Indies; they fled to North America and fought for abolition. Caribbean Islands were exploited entirely by materialistic profiteers. At the end of World War Two, after 400 years of white race oppression in the Americas, an Englishman of Mideast Judaic descent begat a child with an African Woman in Jamaica who brought forth a Manchil, a Poet King calling JAH Children together from the ends of the Earth.

Like a coconut riding the hurricane waves halfway round the world, consider if the seed of King Adrami did sail west over the Atlantic to Jamaica.

The Lion Seal of Judah, son of Israel is emblazoned on the Sword of David, the shepherd son of Jesse. The Lion of Judah Crown is the Dreadlocks Crown of Jes'us of Nazareth, the son of the carpenter Joseph. The Lion of Judah Lightning Rainbow Circle Throne belongs to Haile Selassie I, the son of Ras Makannon. The Lion of Judah Covenant Ring was given to Bob Marley, like a Lion in ZION, by Prince Asfa Wossen, the son of King Selassie. *In the Kingdom of JAH, Man shall reign....*

Bob's music is of Spirit – King David come again.

The mixing of the races of Man gives rise to new bloodlines. Meneylek's father Solomon came from Semite roots; mother Makeda was Black Ethiopian. Selassie is Amhara: Israelite, African and Arabian. He married Princess Manan, grand-daughter of Negus Mika'el from the Somalian Desert line of the Prophet Muhammad, mixed with Galla Tribes of Kenya. Ethiopia is a mingling of many races.

Fight against apartheid of Black, White and Brown. Bridge the divides of tribe and race and religion. Prophecy must fulfill: I&I got to come together, because Black is all-inclusive and God Come Black.

Have you read 'My Life and Ethiopia's Progress'? My Lord's life of history and prophecy and mystery is written on his face: lines of patience and dignity. Do you know RASTAFARI? *I&I are His Legacy.*

What is Israel without a King? Behold! Tens of thousands of Kings, shining as the Stars of ZION.

¹³ From *The Prophecies of Daniel and the Revelation* by Uriah Smith (Pacific Press Publ. Assn., 1944, ch. 8,9) re. Revelation 8,9.

4. PROPHET

Fiyah bun the demon spirits of blood sacrifice who manifest in flesh out of Satan religion.

I&I know them 666: Kali-Ma, Shango, Moloch.

I did help a woman (Sataness in flesh) because she was in need and she appeared to be a humble one. *Don't judge by appearances, My Child, for ye shall be deceived.* The woman transformed as the Indian Kali-Ma who drags a chain of skulls. Death threatened my home with abortion, murder, suicide and sacrifice in visions of dreadful prophecy, while visibly the demoness craved after the conscious meditation of My Lord and Kingman, even hoping to displace me as Mother. I&I say: *Fiyah bun Kali-Ma.*

My neighbour did befriend a man (Satan in flesh) because she was in need and the man appeared to be a helpful one. *Don't judge by appearances, My Friend, for ye shall be deceived.* The man transformed as the African Shango who drinks hot blood for tea. Fornication and drunkenness entered her home with lust, betrayal, adultery, defilement and isolation, while spiritually the demon with images of incest and rape tried to drive away her Children, her peace and self knowledge. And I&I say: *Fiyah bun Shango.*

There are leaders of church and state that I&I help from time to time because they claim to be sincere and they appear to be truthful ones. *Black Man, they sold your wife and children down the river!* These men in high places transform into the White spirit Moloch whose altar is littered with babies bones. Deeds of secret sorcery then fill the nation, with devils screaming for blood from the tortured bodies of Children sacrificed in spirit, only leaving those bodies when they are crushed in death, to dwell in the flesh of another soul whom they have marked with the blood kiss of sacrifice. With devotion I&I pray: *Fiyah bun Moloch.*

Yes, there are many walking around as fortified temples of demons.

I&I call them Flesh-Bearers, the Living Dead. I&I burn them in fire – *fiyah bun* to cleanse them. Put your faith in Lucifer, you must get burned. But RASTAFARI have the Whole of the Love.

Howl ... for the Day of JAH is near, bringing devastation from RASTAFARI. On that Day, every arm falls limp and the hearts of all men fail them....

The Day of JAH is coming, merciless, with wrath and fierce anger, to reduce the world to desert and root out the sinners from it

I will punish the world for its evil-doing, and the wicked for their crimes, put an end to the pride of arrogant men and humble the pride of Babylon.... (Isaiah 13:6-11)

When in Egypt their foolish and wicked notions led them astray, into worshipping mindless reptiles and contemptible beasts, I sent hordes of mindless creatures to punish them and teach them that the instruments of sin are instruments of punishment. (Wisdom 11:15-17)

I&I RASTAFARI uphold the Principle of Righteous Discrimination, wherein wolves are separated from the sheep in the green pastures, hunted down by angels blowing trumpets, while chaff is winnowed out from the wheat on the threshing floor, to be blown away by the wind, and thorns are divided from the corn in the fields, cut down and burned.

There are racists who persecute I&I because I&I stand up for Blackness.

There are 'civilized' men who defame us as a cult of addicts and felons.

There are iniquity workers too, invoking demons to kill us with rituals.

There are governments paying bounty killers: political assassins.

Out in Babylon we are tested by Snares of Satan. In our gates we are judged by the Justice of JAH. And Who JAH Bless, no men shall ever curse. When they send forth a flood to swallow us up, I&I are sheltered by the Earth. (Rev 12:13-17)

Where is Mount ZION, my own vine and fig tree? This is the Orchard, I&I backyard Garden, with ThreeStone blazing, calabash and yabba pot. Here yam vines and pumpkin vines run between the banana trees.

Dasheen soaks up the minerals of the Earth.

Fruits sparkle in the Early Sunshine.

Peas and pimento, beans and corn spring up.

Look, the bird pepper and all the herbs for healing!

A Structure and Form – *Li* – of the Life Force – *Chi*.

And 12 Ganja Trees by the rivers of water.

Peter Tosh say: *Legalize it ... and I will advertise it. Rastaman nah go a jail fe Ganja no more.*

And Steppin Razor sing: *Live clean ...*

let your works be seen.

Equal Rights and Justice ...

*Culture Man walking in the Future.*¹⁴

¹⁴ Peter Tosh, *Legalize It* (Columbia: 1976), *Nah go a Jail: No Nuclear War* (EMI-AMERICA: 1987), *Stand Firm: Bush Doctor* (Rolling Stones: 1978), *Equal Rights* (Columbia: 1977), *Mystic Man* (Rolling Stones: 1979)

Don't give up Dreadlocks; the Ban shall be lifted.¹⁵
The Chinese cultivated it, preventing starvation:
Ganja Grain a staple food to feed the generations.
They made a poultice from the seeds and leaves.
This was for skin infections and scorpion stings.
The oil in the hair prevented graying and balding.
As porridge it firmed the flesh and glands in old age.

Once more Ganja Herb shall drink for tea,
Omega 3 seeds grind to whole grain flour,
the fiber will twist into rope and thread;
boil with seaweed ash and pound to make paper.
When I&I go forward to living Ital,
and a slice of Mount ZION is I&I own,
then the police, the army and the political mafia
shall no longer reap what I&I have sown.
Then we shall plant the Tree of Life
in we own front yard and garden,
and offer up the Blessed Sacrament
on the Hills Red Gold and Green.

My Beloved is down there on the back of the
mountainside, digging out the young fig suckers.
He will plant them where they have room to expand.
To anyone burdened by afflictions of evil, he says:
Who will ascend in the Hills, the Holy Place? (Ps 24)
They plant corn for fuel, not to feed a hungry man.
For all they modernization they don't understand:
So much wasted food warns of famine on the land.
(Come talk to My Lord, the Prophet Elijah.
Come ride with him on the Wings of Fire.)
Which side are you on? Which do you prefer?
Whip of persecutor or patience of the Martyr?

When Rehoboam followed after several gods
and rejected the wisdom of the elders,
Solomon's Kingdom was split in two
and altars went up to the evilous ones.
Kings of Israel sacrificed their firstborn sons
for the laying of foundation stones, (1 Kings 16:29-34)
even unto King Ahab and Queen Jezebel
who butchered the Nyahbinghi Prophets. (1 Kings 18)
The Queen's heart was to kill out all the Bredren:
the Prophets who refused to worship Baal.
This was the time of the male sacred prostitute,
when buggery was a religious ritual.

Elijah in the vineyard sentenced Ahab and Jezebel
and all of their family to the dogs in the streets.
He consigned their remains to eagles and vultures
who picked at their bones in desolate places.
Elijah from his hilltop condemned the Idolaters,
commanding the Fire: *Strike from the Clouds!*
Burn up the Captains and the Royal Guardsmen
of Moloch, Chemosh and Baalzebub.

¹⁵ The Prophecies of Zechariah 14:11, Revelation 22:1-5

When Elisha met the Nyahbinghi Idren at Bethel,
they told him: *Your master shall fly away today.*
Again when he followed Elijah to Jericho
the Bredren came out to tell him: (2 Kings 2:1-18)
Do you know your master shall be taken up today?

As they reached the banks of Jordan,
Elijah split the river to pass as the Spirit of Moses.
Then rising on the whirlwind in a chariot of Fire,
he passed the Spirit on in double-portion to Elisha.

Come talk to My Lord Elijah. He done know the
Idren coming because a butterfly did fly thru the
window and the wild fowl is crowing in the Bush.
Is bush I&I offering for a prayer and bush callaloo
I&I cooking with cassava and lentils, juice made
from oranges. All Ital is Bush – no flesh or salt.
Build a house from trees instead of concrete
because I&I can plant forests of new trees, but
a mountain cannot grow again after them raze it
down, and then there is no mountain for the trees
to grow on. These said trees and all the bush is
what giveth I&I oxygen to breathe and maketh the
rain to fall. Even bathing with Bush is enlightening.

In these sweet Caribbean Isles, I&I Black African
and Black Indian Ancestors did search thru the
Bush for rotten wood and manure to enrich the
Earth where we gather seeds and sow them.
Planting out the tender nursery, I&I wrap dry leaf
collars round the base of the little stems to deter
cutting insects. I&I mix the plaster from mud and
straw and cow dung; the oven and pots are dried
and hotly fired clay. Pound provision in a mortar,
dry the flour in the sun, store roots and peas in
a dry pit with ashes. Weave hemp cloth, forge
tools in the charcoal furnace. If an animal passes
to the other side, ants can help clean the hide; cure
with seawater, soak in ashes and papaya leaves,
then in cashew tannins; pound, smoke and stretch
it. At night and before Sabbath I&I bank up the hot
coals with ashes to sustain the Living Fire. *Eternal*
JAH, shield I&I apart from worldly misconceptions.

Always, in this world, Satan is raising the stakes:
opportunities for abuse of wealth and domination.
Long time the highlands of Ethiopia were ruled
by War Lords who taxed Landowners who rented
farms to poor Peasants who were taxed by Tax
Collectors who were marshaled by Deputies while
the Armies had their own set of ranks and Masters
lorded over slaves in life-long servitude. Peasants
were at the mercy of Landowners who would evict
them if a next man was willing to pay more rent.
The Poor and Have Nots slaved to plant food for
the Rich, and when the rains failed they starved.

Among many Kings and Lords there was One who was King of all the Kings and Lord of all the Lords. It was Selassie's intention to reduce the cycle of starvation and to change the Oppressive System that shackles the Man of Servitude forever in bondage to the Overseers and Masters. He said:

*The fundamental obstacle to farming in Ethiopia has been the farmer's lack of security in the land. The fruits of the farmer's labour is to be enjoyed by he who has toiled with his back and his hand. The landless have a right to own their own land. Renters must not be overburdened or oppressed. Taxation of land must be the same for everyone. The earth of the nation is for all to possess.*¹⁶

Even before Ras Tafari was made Regent to the Throne, he had governed his provinces as judge and administrator. He would develop books of law: statutes and a constitution for his people, written words for which international universities would award him doctorates of law. He wrote of Kingly Governance: a parliament that shares the power and the work of government between Emperor, Ministers, Lords and People; indeed the Ethiopian Imperial Throne is similar to the British Imperial Throne which has a Monarch, a selected House of Lords and an elected House of Commons. But the Queen of Britain is a sitting room monarch whereas the Emperor of Ethiopia must labour tirelessly as the Supreme Judge in the land: anyone may appeal a case to him. The Anointed King is bound to guide and protect, hand up the Royal Inheritance to his Children, keep stable the foundation of the Nation. His Divine Covenant is to exalt the Orthodox Faith. I talking about King David Rainbow Circle Throne.

He will reign as a True King, with discretion, practicing integrity and justice in the land. (Jer 23:5-6)

By his authority, My Lord gradually cut the power and land holdings of the rich Rasses and Priests. He abolished slavery, printed Bibles in the common language and outlawed rituals of obeah witchcraft. He patronized schools and orphanages, providing education for the youths, even the underprivileged. His Majesty built agricultural colleges, technical schools and universities. The people were trained for civil service, police force, military command, medical science, banking, governing, legislating, building and civil engineering. Within all these times, My Lord proclaimed that 50 acres of land each would be registered for all of the landless.

It is not so difficult to guess what happened next.

With Landowners in the Courts and the Church, what do you expect did happen?

With Landowners in the Senate and Landowners representing the People, with Landowners running all the Ministries, do you think there was progress for land reform?

Most of the free land was purchased by Landlords, or by Government Workers, Soldiers and Police. Only a little land was retained by the Poor People who are always the victims of downpression.

Parliament did fight down His Majesty's efforts, and when he decreed less taxes, the Landowners collected more taxes instead, gathering unto themselves a greater part of the Peasant Harvest.

My Lord had developed his Government with the Mission of Destiny because JAH had appointed him the Protector of Ethiopia. To his Ministers he gave the high duty to help him along the way, no malice, but for Love of Country. So he said:

*Patience is needful to accomplish a great concept: Our People must advance towards civilization. We must lead them to a better standard in life, to share in all good things of the civilized nations.*¹⁶

Because they tell themselves that they should have all authority as the Emperor, the Ministers and different Ranking Officials decide to do what they want and get corrupted. Watch how Tax Collectors, Landlords, Police and Soldiers abuse the Farmers. Watch modernization strangle the poor Peasants of Ethiopia and all the Third World as our populations grow and we must sell our own Children into slavery because western economies have licked up all the minerals, hustling expensive inventions and war machines to people of poor nations whose wealth and land they have stolen.

JAH depends on Man to be just to his Bredren. When men are unjust, what is JAH Judgment? How can I&I the Planters stay patient when I&I must always hand over most of what we work for, sweating in the sun? We have no more will to plant. Mashed down by the Church and the Big Men and the Army, I&I cry Blood and Revolution!

JAH say: *Who like the office, go to the office. Who like the hospital, go to the hospital. Who like the funeral, go to the funeral home. Beware the day of difficulty, sorrows and regret.*

Who like the wilderness, stay in the wilderness. Who like the hills, stay up in the hills.

Your comfort is the land; on the Day of Judgment Ye shall know peace and safety, with no torment.

¹⁶ Adapted from speeches of Haile Selassie, the Conquering Lion of Judah, in *The Dying Lion: Feudalism and Modernization in Ethiopia* by Patrick Gilkes (St. Martin's Press: New York, 1975).

Plagues of Destruction have covered the Earth.
Bubonic plague afflicted the world over and over.
Then men filled the seas and rivers with toxins.
All their food and water was unclean; still they
poisoned the air, even the atmosphere, until the
sun began to scorch the Earth. Worst of all they
raped and sodomized and fornicated, spreading
a painful and incurable disease, with sores. Sinful
mankind is indeed very far from the Garden. (Rev 16)

My Lord has dirt on his hands and his clothes are
wet with sweat. He has dragged a dry fallen tree
to the ThreeStone. Nyah is Keeper of the Fire.

Before the Congo Mineral Wars and the Diamond
Massacres of Sierra Leone, there was an expanse
of Orchard Bush in Africa – a Tropical Garden just
like how it was when it filled up the Sahara region.

There were Pygmies in the Congo
whose Forest was their Womb.
It was growing all around them, natural living room.
These People lived closer to Creation
than any other Tribe,
yet still their only sorrow
was they had to kill to survive.
They said that Death came to their People
when they killed their Brother Antelope,
and they would continue to Dead
until they learn not to Kill.¹⁷
They didn't know nothing about competition.
Even their play was about cooperation.
They said that mutual concern
is the freedom way of living.
They laughed all the time;
their music awakened the Forest.

From African Roots I&I grow the Fire Theology:
Ancient Queen Nyahbinghi Healing Theocracy,
Enemy of Colonialism, Lodge and Ku Klux Klan,
Word Sound Power fanning Flames of Judgment,
invoked by Leonard Howell, 1st Rasta at Pinnacle,
who was jailed and injected till driven to madness.
Nyahbinghi incarnated in Uganda, freedom fighter,
feared more in Spirit than even in Battle,
jailed by the British 3 decades till she travelled on:
Great Mother, called Nneka, Living Spirit of Afrika.
Swift like a Lioness running across the grassland,
another Warrior Nyahbinghi escaped to the hills.
She bears her children easily, with little travail.
If it's not her will to conceive a child,
a small piece of aloes below the womb
serves as a bitter bush contraceptive
(but JAH JAH Will is Greater Still).

¹⁷ From *The Forest People* by the Anthropologist Colin Turnbull
(Simon & Schuster: New York, 1961).

There are secrets to reveal
about Woman and Childbirth,
but first I tell the Daughters of ZION:
After JAH, give your heart to Nyah.
Natural Mystic Man of Peace:
He shall fulfill your Soul desire.

Like a tree that's planted by the waters,
you shall bring forth Daughters
and you will give him Sons.
Happy the Man whose heart is for Selassie I.
JAH will not pass him by
when His Kingdom Comes.

I&I stand tall as the cedars of Lebanon,
flourishing like palm trees in the Courts of JAH,
hailing Selassie and His Righteous Empress –
I&I Rock in Whom no fault is to be found. (Ps 92)

My Beloved is the Prophet Elijah,
his name is Justice and Judgment.
Every endeavour is offered up for Clearance.
That's how he moves with Integrity and Guidance.
He keeps the Children under his watchful eye
and does not fail to discipline.
My Beloved delivers a goat or a Child.
He is full of strength of the Breath of HIM. (Micah 3:8)

He uses bush to deliver I from sickness,
his hands to deliver my bones from pain.
He even delivers the land from drought
as he drums the Heartbeat to invoke the Rain.
What makes My Love sweeter than other lovers?
He drinks rain water, he bathes with lemon.
The trees give him nuts, the bees give him honey.
His Comforting Word is the Spirit herein.

What makes My Love dreader than other Brothers?
In his vision he can see how Satan contests.
He sharpens his sickle with the Word of His Wrath,
reaping the harvest of sinners for the winepress.

Remember, wicked people can do what they like.
But not for as long as they would have liked.
The distance men can see
is not good enough for me.
I want to be wrapped up in the Arms of Safety.

What do you see, Culture Man?
Look inna your crystal ball.¹⁸
I see oceans Burning ... submarines Exploding,
space shuttles Blazing ... power plants Melting.
What do you see, Nyah Man?
Look inna your crystal ball.
I see rivers Drying ... fires Raging,
sunlight Scorching ... Hot Lava, Lightning.

¹⁸ From Peter Tosh, *Crystal Ball: Mystic Man* (Rolling Stones:1979).

NYAH NYAH NYAH! ... BINGHI ... I ...
Death to all black and white
Downpressors and Downstroyers.
HAILE I HAILE I HAILE I JAH! ... RASTAFARI.

At a time when the Black Nation
was downtrodden all over the Earth,
Marcus Mosiah Garvey lit again the light of love
for I&I Father God and I&I Brother Man.

He prophesied a King in ZION
and a blessed generation
who would sail the Black Star Liner
forward to the Land of Creation.

The British Crown had set aside, in the Treasuries,
20 million pounds in sterling silver pieces,
but it was not for Repatriation
of the Black Slave Children
who were weeping by the rivers of Babylon.

Queen Victoria's reign would come to an end
when Marcus was a youthman of 13 years.
Jamaican student from St. Ann's Bay,
he would soon raise the cry to Repatriate,
calling: *Africa for the Africans at home and abroad!*
One God, One Aim, One Destiny!

Victoria was succeeded on Babylon throne
by Edward the Seventh and George the Fifth.
But the Sceptre had never departed from Judah,
so Empire slipped from the grasp of Elizabeth.

Where did the 20 million pounds silver go?
Not to Black People – this much we know.
It was a kidnapper's ransom, in I&I opinion –
to pay the Slave Masters for Black People freedom
all over Queen Victoria's World Dominion.

The Black Star Line was swindled and sabotaged.
Garvey was persecuted like all the Reformers.
His poems of the Devil Mussolini against the King –
I shall read them to the I on a breezy afternoon.

There is no sense in hate; it comes back to you.
Everything in God's Plan is just as it should be.
Let us build a Race founded on Justice and Love,
Charity, Mercy and Equity.

*A great inter-racial conference must be called
to straighten out each different controversy.*¹⁹

So just as how John did baptize us with water,
for repentance of sin – pure lambs and martyrs,
so Jes'us Imanuel baptized I&I
with the Spirit of Prayer and Guidance,
that wherever two or more gather in prayer,
I AM there in the midst of us.

I will raise up a Prophet from the Bredren. (Dt 18:18)

And just as how Marcus baptized I&I
with the Spirit of Self Sufficiency,
and the Remembrance of Prayer and Vision
as the Salvation of the Nation,
so the Binghi Man Capleton baptizes with Fire,
in the furnace like Azariah,
in the well like Jeremiah.²⁰

Fyah Man Prophet – hear him chant Nyah!
An Angel singing with a loud voice,
an Angel flying higher, the Purifier,
blazing the kings who defile themselves
in their Mystery Babylon vain desire,
invoking disaster on the City
like the Ancient One, Isaiah.

Come talk to Ras, so the Prophet say:
There is no ranks in the Fire Circle.
Let I&I beat the Drums and reason we Reasoning,
cook the Ital yood with Iditation seasoning.
Listen for the hidden rhythm,
then you may catch the phrase,
and ride it sideways over the Heartbeat,
chanting Thanks and Praise.
Let we trod thru the jungle
to the waterfall in the forest region.
Chant some Judgment, plant provision.
Make ready for the Armageddeon.

The false church has riches,
splendid courts and cathedrals,
a higher class of priests with worldly connections.
The True Church is humble:
Apostles live as equals.
Our cathedral is the trees and mountains and stars.
Yet be careful how we judge a man by his position.
For example, Pope John Paul was a humble man.
He stood at the Door of No Return in West Africa,
grieving for the people taken captive from their land.
John Paul said the Spirit blows in all true religion,
the Wind of the Spirit is of many forms and faiths.
He repented for slavery, persecution and genocide.
A good man in a wicked church is Truth in they face.
The Pope to watch out for is an intellectual fraud,
having benefits of knowledge but nothing of Grace.

JAH People have the Holy One to send for the rain,
take away I&I troubles, take away I&I pain.
Natural Man has Herbs for healing,
Words for unsealing, Vision for revealing
the Highly Disciplined Love he is feeling:
Who can't face the wooden staff must face the Iron.
Who has tried to overstand, do good and seek JAH?

¹⁹ Adapted from the Word Sound Power of Marcus Garvey.

²⁰ Azariah is the original name of Abednego (*Daniel* 1:7).
Remember Jeremiah was thrown into a well of mud for prophesying
that the Babylonians would burn down the City (*Jeremiah* 38).

5. ANGEL

22 years ago I separated unto the Nazarite Vow. By the old stone Mill House at Hopevale Estate where Slaves had suffered at their toil, in which the Bredren were later incarcerated as political prisoners also, an Angel appeared unto I Woman.

Some of them Bredren used to play football here. The PRG tried to organize and mobilize the Rasta People in this way. Heh. This is a funny time....

They don't want I working outside. They gave the other prisoners opportunity, but for a Man like I there was no opportunity. This is a guava tree. Hopevale was a place like they have in Russia or a place like Hitler had for people. Rasta called it HopeFAIL. It was the greatest division of Man.

Before Maurice Bishop, the Rastas was already divided. You see, here in Grenada we had no elderly Bredren in our midst. We all emerged actually the same time and live Rasta. And then, when I emerged amongst I Bredren, I Bredren provided I full authority and gave I the full support. You see? As a leader of RASTAFARI in this land. That was just in the time of Bishop.

We supported Bishop because the situation here wasn't good. The government wasn't good. The people wanted change and Rasta needed someone to have appreciated them and someone to have helped them along the way. Bishop was pretending to offer that all the time. For years he had been pretending he was the One. And when everything was given to him, we found out that he was not the One – but he was someone masked.

To unmask a man is a sad thing, you know. All the time he was pretending to be such a good man to the poor and needy, and then he was just another man that didn't care. The Rastas unmask Bishop and he couldn't stand it.

We had a interview with the Torchlight newspaper criticizing Maurice Bishop and the PRG regime very heavily. You see, Bishop had promised the Rasta People freedom of worship – to legalize the Ganja Herb, but now he was bowing to International Politics. First was the story. The next day was a demonstration. The PRG was demonstrating; the Rastas was counter-demonstrating! They closed the Torchlight on the following day.

The Rasta people only get involved in the Revolution because of the System that was going on. Because one side was oppressing you and one side was saying, 'OK, we will bring justice and equality for all.'

The Torchlight interview was a confrontation between the Rastas and the People's Revolutionary Government. The Rastas now begin to be in more spiritual vigilancy. You see, while Bishop and them was looking for some counter-attack with guns, it never really happen because the Rasta whole tradition is a non-violent one. As it was from all the Times. It is a movement based in Justice and Love and Peace and all these things.

But then Bishop and his bredrens, they try to give a bad image of the Rastaman. He say the Rastas are working for the CIA and planning to overthrow them. Most of the suffering that the Rastas went under was because Maurice Bishop government brand them as CIA agents. And these things was wrong, you know? Most of the Rasta people never even went to America! Most Rasta been living in the mountains since they really reach with the Concept. They never really had contact with any people of this sort.

But because of what was going on, the Rastaman see that he have to really let his voice be heard. The Lion have to roar. You see, when the Lion roar, all Bishop and all the enemy of His Majesty begin to confederate.

And then recently we knew that Mengistu was in Ethiopia and the whole situation that went on out there was supported by the Marxist people. Remember, according to I&I Concept, His Majesty is really the Daily Sacrifice.²¹

When the Daily Sacrifice was taken away in this manner, and them place Mengistu and his Cuban and Russian friends, the Rastas look at them as traitors and enemy to I&I whole movement. These people was fighting against a Theocracy, an Ancient Kingdom. Against Ethiopia! They was fighting against Mount ZION and they was seeking to destroy RASTAFARI forlver.

But because of the powers of the Most High JAH RASTAFARI, certain Bredrens out here could naturally have seen what was going on and reason with other Bredrens. And make them know that the whole situation in Ethiopia is actually the same thing like how going on here.

Satan was with JAH from Creation. He was even created by the said JAH. And he was always with JAH in that time ... until he rebel also.

He is known for spreading lies about his Creator.

²¹ The Prophecies of Daniel 8:1-14

*His Majesty Court is the Court of Almighty I.
When you go to His Majesty, you standing before....
It is no different....*

*You see, Christ is just a Man who prays continually.
That is why His Father manifests in HIM.*

*And his officers who was in his army, and his men
who was pretending to be royal – His Majesty
knew they was not royal from all them time.
Because His Majesty's daily works and daily
sacrifice and reading the prophecy and praying
show that he knew that a whole portion of people
that was around him was his enemies. But he
never paid great heed to these things, because
he already knew they was his enemy. He paid
greater heeds to greater things.*

*Coming to the Caribbean here in them times –
an ancient man like His Majesty coming to the
Caribbean in 1966 was a strange thing. The
whole conflict with the Russians and Cubans in
Ethiopia was the same as the confrontation with
Bishop and the Cubans toward the Ethiopian
people that was in Grenada here – the Rasta
people that came to be Ethiopian. The conflict
in Ethiopia afflict us very badly.*

*And in Jamaica, Manley have a good portion
of Rasta people supporting his political views.
Manley got support from Rasta people in Jamaica
just like Bishop got support from Rasta people
here. But Manley did the same thing like what
Bishop did! He betrayed the Rastas. According
to the whole Writing. Is a whole set a betraying.*

*This new system have nothing good in it for Rasta.
Rasta must never depend on other systems. He
must try to develop his own. Because there was
a System that was laid down for him all the time.
He lost certain high meditation and reaching lower
cities, and he see now to fly up in higher cities.*

*Some of the Marxist teachings was truth, some
was propaganda, and some was lies. The truth
that they was speaking about was the Evil of
Imperialists. What they was saying is that the
Imperialist people oppress the poor and they
support wrong things, which have certain realities
in it. How I overstand it was in these terms, but
they speak plenty different words. These are
people that are Intellectual.*

*The men that was coming to handle the Rasta
people was men that went to train in different part
of the world. They was trained to handle people
like us: Rastas. But they couldn't penetrate the
Rastaman because the Rastaman was living in
a different world to them.*

*You see, they was living in a world where they feel
the gun will win all the time and Oppression is IT.
These systems I speaking about is evil systems,
you know. The communist system is a very evil
system.*

*There was three different set of people here.
There was people who have No Mercy, people
who Love to see Evil, and people who Exalt
Wickedness. These was all the people that was
in Bishop regime at that time. Regardless the
form of evil or what was the name, it was Brutal.*

*And they was trying to tell you, 'Oh! This is not
brutal, but there are other things that is more
brutal than this.' They would say, 'Oh no, this
system is very good. We have tried things in
Cuba and it worked very well. We are now trying
it in Ethiopia and it is excellent! In Nicaragua right
now is a great Struggle where we are defeating
Imperialism!'*

*The main thing of the systems of the world:
one say, 'Oh! We are winning!' And one say,
'No! WE are winning!'*

*The main thing that we need to show in the world
is the liberty of one love amongst all people and all
nations. One Perfect Love, One Heart.*

*The Rastaman feel he is winning too, you know.
Everyone thinks he's winning. But is because they
can't accept being lost, being a loser, they would
say, 'Oh yes, we are winning.'*

*Heh. You ever see the Bay of Pigs on film?
It was the whole story how the Cubans in America
was going home to capture Cuba. And the Cuban
people come out and defeat them very bad! It was
called the Bay of Pigs. Maybe Bishop government
was looking at this for defensive strategy.*

*There was lots of Rastaman in Hopevale, and
when the Americans invaded, these Man became
free Man. Even so, within this society you see that
these Man still going to prison in a different way.
Even tho we live in a democracy.*

*You see, these said Rastaman is still captured for
a little Herb and still have to pay big sum of money
in the Court and go to Prison. It create problems
for the existence of these people. The problem
for the Rasta people now is really economical
situation. The Rasta is very poor.*

*What the Rasta mean with the idea of Repatriation
is that a Man need to live in comfort and security.
People could assist, even tho the Rastas have to
help theyself. Not to say we looking for assistance,
but we looking for we Righteous Portion.*

But they want to move us out! Not to Africa, not for Repatriation, but to move I from Creation totally, to destroy a whole People. When they are looking to fight against Marijuana with all these different laws, Rasta is attacked psychologically, Rasta is oppressed.

They come and they say, 'OK, we're fighting against Marijuana.' But Rasta People know it really involving more than Marijuana, which is our Sacrament and our little economical survival. So we fight the unwelcome fight.

These people of the police and the government who pay no heed to the Rasta People, they are only opening avenues for a lot of more Revolution! The Rasta People are very sensitive to Oppression. If there is a way out for the Rastas, the System has thrown the way out. Rastas remain second-class citizens.

There is certain help that the Rasta People need in order for they whole existence. And we being Denied. These needs are Righteous needs. These things belong to Rasta in a real way also because we are part of the Earth. We was born on this Earth here in Grenada, we was Manifest in these parts. We have a Right to these parts.

Every day the government say, 'OK, how much money to get rid of Ganja?' But this belonged to us in Africa. And then what do you think they create for the Rastas to survive? You could go in the hills for the next hundred years and keep choking Rastaman and destroying they crop and bringing them to the prisons for a little Marijuana, but then you don't want Peace and Justice.

Rastas view them as the wicked people, you know. These people who fighting against Ganja is wicked people, Man. Because this is for we own sacrifice and survival. Even the birds are denied the seeds, to fly faster and sing sweeter.

These people belong to a system that rule the thing they call Church and State, hand-in-hand. These people make false laws. These men are false judge. My Father see I smoking, the True Judge. But when you throw I in prison and beat I and cause my Children to suffer....

Yes, Suzan. Is men like these what brought Maurice Bishop into power. Maurice mistake was thinking that the Poor Man should not exist in these parts. Remember the Rasta People have always been the poorest of the poorest, and these are the people that he base his whole policy and spend his whole time looking to destroy. It is a sad thing. He get he Judgment.

We never want to go to the government for help because we know they intention is not to help us. The police and all a them are one people, you know. Is a lot of devils and demons fighting against Rasta. The government that rule society is very scared of Rasta. All the governments that ever govern, they are scared of Rasta all the time. They have a lot of fear.

I don't know WHY.

But I already know why. They fear the Black Survivors because the concept of the system is survival of the fittest. But all the things they been fighting against for years is the said thing they have to accept now. And realize that Love is the Only Answer.

They fight with Tactics of Fear. All the systems seem to be the same in certain ways, but they have different Tactics of Fear. The people who feel the most pain are the Rastas. I&I become the center of the Sandwich of the Superpowers.

I remember Hopevale, Man. Many hundred of Rastaman – the place sad! I could see the wicked-in-they-heart sit down close there, with guns. I come out here to get a bathe in the river. And when I look and see the sad, suffering face upon my Bredren in this little country ... so many Rasta just here ... and they face is so SAD ... the rivers ... you in the natural land and the beauty! The birds, yes. But you are not FREE to make your own movemant. Because you have to work for the army, and soldiers with gun at you. And I&I did no wrong! Rasta stand for justice over everything, but in another sense I&I give thanks for every persecution. Rasta saving up Blessings on the straight and narrow way.

I stay inside the prison and I peek, I watch all my Bredren cutlass all here. Cut all the grass and plant it with different crops. All here was tomatoes. Pepper! They don't want I to plant peppers. I pass. Maybe I go to get a bathe with two soldiers or three soldiers keeping guard. They never wanted I to work. I alone sit down under this tree for many days, just watching Rasta people work out here. And men with guns. Maybe they had twenty soldiers there. And they had a campsite right over here.

The PRG never really accept that this was a Prison. They said it was a Reformatory – a place to reform the mentality of a people. A People that have they own Culture and a People that are Peaceful! After the war, the Rastas loot everything in Hopevale.... Heh heh. O My God.

This place is separate from the world. The whole place is circular, blocked off by mountains and hills. Mountains to the east, mountains to the south, mountains to the north, mountains to the west, and Hopevale is in the center. Long time the whole of Hopevale was sugarcane. When Europeans tasted sugar they had to have more! So sugar was the drug behind the slave trade. It paid for guns to trade and raid for more slaves.

In the true sense, RASTAFARI have an ancient tradition – a teaching that was handed down to us by the elderly bredren Ras Boanerges, the Sons of Thunder. We have an Ancient Culture. You see, different bredren might have different personalities, but when it coming down to the theological teaching of RASTAFARI, it is One.

This teaching been handed down to us by the Ancient of Days, coming from the House of the Nyahbinghi. This teaching line I up so that I could really speak of a Daily Sacrifice, and even be here. RASTAFARI teach I how to hold fast to these traditions called Nyahbinghi, which is Coals and Fire and Earthquake, the Judgment of the Almighty in a Molten Lava Whirlwind. You see? And I from childhood been brought up in these ways.

But when I was in Hopevale it was a different experience again, because I met other Rastas who have different ideology towards Rasta too! Just like how you have the Socialist Party and the Communist Party and the Democracy Party and you have This Party and This Other Party.

Only Wise Man survive in Hopevale. Only Wise Man escape. When you inside here, you hearing all the vibration of the shackles. When you're inside their meditation, your body push out certain energy that you could resurrect ancient things that go on in this place. Thru suffering and pain within the Flesh and the Spirit and the Heart and Soul of Man, when you're in these walls and in these barriers you invoke ancient things. You hear them and even see them.

There was a horse that used to come thru here – a carriage with a horse. Like a buggy. I used to always call the hour it come in the night. I see the people who driving it, I hear them talking. The oppression by the PRG against the Rastas in Hopevale raised up the old spirit of slavery! It was a mental conditioning under violence.

This is a very special Herb. This is Black Sage. It is a friend to the Marijuana. When there was no Ganja here, we smoke it. The Rasta People know of all the Herbs. These People are Living Sage.

I learn many things from the Land. I learn most of all from His Majesty, Haile Selassie I. He is the Master. When you see Selassie I in a vision, you see HIM like the Living I, the I of All Things. The Foundation. People say, 'O Nnanna, what about Selassie?' But my vision tell I of Selassie.

This is where I send my Bredren to collect the mushroom in the early morning. Because in this part many many cows. You come for mushroom in the early morning when the dew is very fresh.

When we ready to use the mushroom, we only use from the dung of cow in this pasture. There are poisonous mushrooms too. But the mushroom on dung is a mystery, ha ha! They just emerge! And when the sun come out, no mushroom!

Creation is a special thing. Maybe evolution play a part too, but these things was Created.

The biggest bat I ever see in Grenada is at Hopevale. The most strange things I experience in my whole life is here. This road we on – the only time I travel this road out was when they carry I to the hospital. I have many bullet wounds.

You see this cloud there? Watch this cloud. You see how it sit among all the clouds? You see how it look like a Man sit on a Throne? This cloud is the most beautiful, it attract more people. But watch the dark and evil cloud when it see this beautiful cloud. Watch it now move across. See how it try to hide the beautiful cloud? The whole story is in the Heavens: the signs and the wonders.

Yes, this place has very beautiful clouds! The sun setting beyond the hills.... All the light and colours shine on the clouds that fly over the mountains from the sea. That is the mystery of Hopevale. Everything come to Hopevale. You see the setting of the sun, you see the rising of the sun. When the sun come up, it come JUST beyond this mountain and it burst forth in all its glory. Everything is just beyond the hills. When you in Hopevale you say, 'Oh ... to escape Hopevale is JUST beyond this little mountain!'

It have everything here. All the creatures, all the birds sing together. Listen to the distant birds, listen to their music. This is the birds we have to listen to – the distant birds.... (So I listened.)

If Babylon had colonized her empire with Love – uplifting the People – she would be respected. But she maintained segregation and domination, feeding a dread Beast. I&I call it 'Desolation'. But His Majesty is Greater so Rasta stay Strong. He expects us to know the Right from the Wrong.

Most Humble One, Ras Nnanna,
battling among the Chosen,
this Man is one of the Angels
by whose Word my lost life was found:
Word given Power of Sound.

I have reasoned with JAH People
as Angels of the Armageddeon.
RASTAFARI make I to know God in Man,
and many have appeared in ZION:
Wonders and Signs.

I have made mention of Garnett Silk,
Prophet Capleton and Anthony B.
Three Man with the Spirit of the Anointed One:
Three in One and One in Three.

The Spirit of Judgment is with the Righteous,
so these Three Man are written up
as Angels announcing the Judgment,
yes, the wrath of JAH wine cup,
to be drunk by the armies of Satan
who fete in the bacchanal party of pagans,
modeling Mark on hand and forehead:
the Number of Ronald Wilson Reagan. (Rev 13:16-18)

From Kings Town, City of Prophets,
hark the Herald Angels sing!
The Nazarite Sign of the Saints is sealed
on the brow of the Faithful Ones. (Rev 7:1-4,14:1-5)

Mystic Sizzla victorious, Junior Gong conquering,
JAH Cure, JAH Mason, Norris Man, Daweh Congo,
Bushman, Louie Culture, Tony Rebel, Junior Kelly,
Luciano, Everton Blender, Buju Bantan, Cocoa Tea
and a New Generation blaze up the Prophecy
until all Third World People Free.

We heard Big Youth chanting, Steel Pulse jamming,
the meditation rhythm of the Burning Spear.
Rita, Judy, Marcia: ZION Daughters travelling.
Queens of Israel harmonizing grace with energy.
Remember Culture, IJahMan Levi, Israel Vibration,
Bunny Wailer, Jacob Miller, all of the Rockers:
these are the Angels who announce Eternity.

*Who are the two witnesses of Revelation 11
who prophesy Babylon Throne gone down?
They stand up like two olive trees or two candles
lighting up the night in Trenchtown. Fire comes
from their mouths and consumes their enemies.
The Wrath of Selassie upholds their Judgment.
There is no rain and no water to out the Fire, and
their Judgment is more than the Beast can bear.*

Peter is the Rasta Man to strum Judgment Song,
skanking his guitar to the rhythm of the trains.
Bob is the Master Man of conscious contemplation
and Dread composition with choral refrains.

Evil works of jealousy cut down these two Bredren
and they rested with the Martyrs. Then Conscious
Gospel did backslide in slackness and soundclash.
All the heathen of the world were glad because
they thought finally RASTAFARI is really dead
this time: the Saints who had plagued them with
Judgment. *But JAH breathed life into them and
they stood up and were taken up.* Again from the
airwaves Rasta singers and players of instruments
foretold the Fall of Babylon, and everyone did see
her Towers collapse, as if by a Great Earthquake,
and all the people of the world were overcome by
fear and they remembered the God of Heaven.²²

How did RASTAFARI get up and stand up and rise
up? Listen to Revelation Chapter 14 verses 6 - 12:

First I&I heard an Angel sing:

*Blessed be the Almighty JAH,
ready to forgive all sins....*

*So remember wherever you trod,
keep the Almighty within.*²³

Who is the first Angel if not Father Garnett Silk?

Next another Angel sings:

*Babylon Judgment a come,
under the Moon and the Star and the Sun.*

Babylon ... your Kingdom is falling.

*Mother of harlots ... your Queendom is falling.*²⁴

Who is the second Angel if not Prophet Capleton?

Then a third time I&I heard an Angel singing:

Fire pon Rome.

Fi Pope Paul and him scissors and comb....

Wicked people, I'll be there when the Rapture call.

*Rasta will be there to testify your downfall.*²⁵

Who is the third Angel if not My Lord Anthony B?

So JAH made them Trinity Angels of the Judgment.

I&I look to the Book to know JAH in Man.

When I&I blaze fire on wicked worldly institutions,
it's last call for repentance: Judgment is at hand.

The Scriptures teach of Providence:

how a Mighty Hand shapes our Destiny.

The Word was the Lion's guidance

when he was called to Judge the Nations,

and the Word was the Lamb's guidance also

when he sacrificed himself for many.

Isaiah foretold a Maiden would give birth to a Son

whom she would call Imanuel: *JAH is with I&I.*

She would feed him cheese and milk with honey,

till he know to refuse evil and choose what is good.

²² From *The Book of Revelation* 11:3-13.

²³ Garnett Silk, *Blessed be the Almighty* (Top Rank: 1993)

²⁴ Capleton, *Babylon Judgment: Prophecy* (Def Jam: 1995)

²⁵ Anthony B, *Fire pon Rome: Live on the Battlefield* (Jahmin: 2002)
and *Wicked People: Seven Seals* (VP Records: 1999)

*A shoot springs from the root of Jesse ...
a Spirit of Wiswised and Overstanding,
a Spirit of Counsel and Power,
a Spirit of Knowledge and the Fear of JAH....
Yes he is torn away from the land of the living,
for our faults struck down and slaughtered....
Because he offers his life in atonement,
his Father shall let him see his heirs.
He shall have an everlasting Life,
and thru him JAH Will be done....
Because of his suffering, I&I shall live up Right,
for his Offering of Humility and Grace.²⁶*

Who can contest that God is in Man?
Failing to know this, you will die in your sins.
*Everything has been entrusted to me by my Father.
Those who reject me reject the One who sent me.
The Father is in me and I AM in the Father.
The Father and I are One.* (Lk 10:1-22, Jn 8:12-30, Jn 10)

This is the Lie that Rome has long been teaching:
them say Christ a white man who died on the Cross.
Nearly 2000 years have passed, and today,
I&I know the Nazarite fainted in a coma of shock.

Picture the puzzle with pieces that were missing:
The Self Sacrifice is Dreader than Dread.
The skin grows cold, the heart beats weak,
yet Spirit holds on by the finest thread.
*Keep the Heartbeat Rhythm, Dread,
and the Judgment Fire on the Mountain.*

A piece of the Lost Gospel of Peter was found in
Egypt in 1866, wherein was written about Cavalry:²⁷

After Herod the king gave the Crucifixion Order
and My Lord began his trod up the Hill of Skulls,
Joseph of Arimathaea, the secret disciple,
went quickly to his friend Pilate,
asking permission to take down My Lord's body.

Arrangements were made
that My Lord must come down
and be put to rest before the sun set
on the evening of the Sabbath,
in accordance with the Law.

After My Lord, bleeding, was raised on the Cross,
darkness came over the land, starting at midday,
and many stumbled in the darkness
and some went about with lamps
until the middle of the afternoon,
at the ninth hour, when My Lord cried out:
My Power, My Power! Thou hast forsaken me.
Even this Word was Truth,
for his strength had failed him.

*And shall not those sins be forsaken by us
which made Christ Himself forsaken?*²⁸

Most times it was days of agony
before the crucified ones would die.
The Pharisees said they should break his legs
to ensure he was dead before Sabbath draw nigh.
But Joseph told Pilate that My Lord was dead
and Pilate was astonished he had died so soon.
Joseph took the nails out of his flesh
and laid him on the Earth, and the Earth Quaked,
and the Pharisees were certain the End had come
before the Sun came out to shine.

As Joseph washed and anointed the Lord
with Nicodemus healing herbs: myrrh and aloes,
the powerful touch of his hands could revive
a Flesh that had willingly walked thru the Shadows.

And Joseph wrapped his tortured wounds
in linen cloths as white as dove wings,
and brought him to his own tomb
in the Garden of Joseph.

The Bredren hid themselves in a mountain cave
because the veil of the Sanctuary had torn in two
and the Scribes were spreading Lies
that the Disciples would burn the Temple.

The Pharisee Priests and Elders demanded
that soldiers must guard the Tomb,
and they set Seven Seals upon it
and camped there to guard it.

The Roman Guard that Pilate gave them
was one Petronius and his soldiers.
Was this the Centurion who spake of My Lord?
In truth this Man was a Son of God. (Mark 15:33-39)

Now they guarded and they guarded
till after Sabbath, early morn,
when the stone rolled aside, two Man gone inside,
and My Lord came forth shining before the Dawn,
supported by two Bredren, with a Cross following.
JAH said: *Thou hast preached to them that sleep.*
And the voice of the Spirit from the Cross said: *Yea.*

And the Priests and Elders transfixed in a trance.
Then they hastened to Pilate, who said unto them:
*I am pure from the blood of the Son of God:
but it was ye who determined this.*

The Pharisees conspired to bribe the soldiers.
On pain of death they swore to conceal it.
But if it was JAH Will that His Son survive the Cross
then the Gospel of Peter does reveal it.
*What a victory to dance in the furnace of the Beast.
He can't hold the I, and so he does feel it.*

²⁶ From *The Prophecies of Isaiah* 7:14-15, 11:1-9, 53:1-12.

²⁷ From *The Lost Books of the Bible* (Alpha House, Inc. 1927).

²⁸ *The Mystery of the Lord's Supper*, Thomas Watson (London, 1665)

Overstand that the People were calling Christ their King, which made him a threat to the Dictatorship of Caesar. The Scribes and Pharisees were paranoid because if the people should disobey Caesar, Rome would naturally feel to stomp out their religion. That is why they decided to sacrifice the Lord. Was the conspiracy to rescue My Lord established by himself beforehand? Was this the lineup of his words at the Passover Supper?

Nobody did know what was going on. He who knew His Plan is He Who is the Source of Life.

To Judas he said:

What you are going to do, do it quickly.

Because it was the eve
of the day of Sabbath Preparation.

To Peter he said:

Tell them Thrice: You don't know me.

And this was so the Disciple
would be spared crucifixion.

And Joseph, the Rich Man –
was he the Last Supper Host?
Would he be the one to tend to his wounds
and hide him after the resurrection?

Do you think that My Lord intended to be killed?
He was wiser by far than the wicked and craven.
Still he knew that Prophecy must fulfill,
and perhaps for his faith his Father would save him.

That is why he prayed in the garden:
ABBA! All things are possible for The I.
Just take this cup away from I.
But let Thy Will be done.

My Lord, Dreadlocks Nazarite, fast and pray.
My Lord is the Master of Faith and Meditation,
purified from the weakness of the mortal flesh.
Even as he lay in the tomb in white linen,
did he pull the Spirit forward into his Temple
from where it soared on the heights of the stars?

Higher than pain and higher than hatred,
in his mind's eye did he hold on to his Structure
for the love of Mary Magdalene?
After God, for His Love is unto All Mankind.

Did Joseph and Nicodemus come on angel wings
and hold up My Lord to come out from the tomb?
They were both councilors of the Jewish Sanhedrin,
known to meet with the Lord under cover of night.

By all accounts Mary of Magdala did witness,
after Sabbath, the 3rd day: *My Lord has arisen!*
The Disciples later walked with him to Bethany.
From there, some say he went to India, Kashmir.
Others say to Egypt where he had lived as a baby.
No matter. The Way to His House is in Him.

So the Prophet testified: *They killed him not,
nor crucified him to death,
but so it was made to appear to them,
and those who differ therein are full of doubts,
with no certain knowledge,
but only conjecture to follow,
for of a surety they killed him not.* (Qur'an 4:157-159)
*Nay, God raised him up unto Himself,
and God is Exalted in Power, Wise.*

*And every single one of the People of the Book
shall believe in Him and He shall be their Witness.*

Thomas was doubtful; he had not seen the Lord,
so he couldn't believe what God had done for Man.
But when he had seen Him his faith was restored.
*Blessed are they who've seen not, yet overstand
the Lesson in Faith from the Holes in His Hands.*

The Patriarchs were given a taste of the Spirit,
but Christ sends the Spirit to make Angels of Man.
I&I have seen Selassie on the Wings of the Wind.
Angels speak in our ears and take us by the hand.
In the Spirit I have seen Mama Africa is starving,
with her two little babies bawling at her dry breast.
I have witnessed the King before a crowd asking:
Are you coming to Africa? I said: *Of course, Yes!*

Some say that the Spirit speaks only in Scripture.
Indeed there is false vision, contrary to the Word.
But deny True Vision and you deny the Holy One:
As it is written, God's Wrath is incurred. (Mt 12:30-32)

Let us pray for perfection of the Holy One in I&I.
Was Adam perfect? Was Enoch perfect?
Were Moses and Aaron not chosen of the Lord?
Was Father Ibrihim not justified in Faith?
Was David not forgiven in Repentance and Grace?
Were Mary, Makeda and Meneyelek perfect?
Elijah, Isaiah and Jeremiah,
Daniel in the den and John in the wilderness,
Jes'us and his Bredren say to I&I:
Perseverance is the Way to Redemption.

Even wicked Paul was made righteous by Faith.
Muhammad was glorified as the Voice of Gabriel.
Marcus I, Selassie I and Emmanuel I say to I&I:
Strive and purify to be found acceptable.
Are Bob and Peter not lights unto the world?
What about Capleton and Anthony B?
Was Garnett Silk perfect in a world of sin?
Or did he just claim that he always tried to be?
Since all are fallible, with limits and temptations,
how is anyone made sanctified, an Angel in Flesh?
Live in Love and trod as a Stranger in the world.
In the hills and pastures the Lord is my Shepherd.
Therefore I shall not want ... another shepherd.
Fast and Pray. Be Holy, as I AM Holy.

6. EMPRESS

I am many miles from Perfect,
still I rally the Conscious Revolution.
The ancient hidden half that has never been told
is revealed to I&I by JAH RASTAFARI.
John's Scroll of the Seven Thunderclaps –
full time for I&I to write it down. (Rev 10)
I do not write as from myself. (Jn 16:5-13)
He has spoken – I cannot say I have not heard.
Great is Thy Achievement, JAH, deep is Thy Word.
Empress purify for your Kingman, Ras Tafari.
Like Solomon he reasons with Makeda for Virtue,
focused on the Positive within the Present Moment,
standing up Strong with the Righteous Daughter.
He is the only Root of David remaining in Creation,
Wisdom of Ages reflecting far into His Eyes.
Israel get ready for Judgment Morning.
Like a thief in the night it will come, no warning.
Blessed is he who is on the mountain heights.
Blessed is she with a bag prepared for flight,
big pot in the camp, plenty seed and provision.
I&I prayer for vision always guides our decision.
Ras Tafari is a Man who hunted lions in his youth,
riding his war horse on the plains of Harar,
near the wild border of Somalia,
other times battling the Muslim Tribes
(who castrated Ethiopians for sale to the Arabs) –
fighting with sword and shield like the Ancestors.
His Imperial Majesty was a Family Man.
He liked to reason with children and mind pet lions.
His Empress did works of education and charity.
Blessed is the humble and strong-minded Woman.
*Her character is such that, apart from goodness,
there is no evil or malice in her.*
*Ever since we were married we lived together,
by virtue of her being fertile,
in one family sharing joy as well as sadness.*²⁹
I know a Rasta Empress living close to the Earth;
she mix African Chinese Indian and Spanish.
She has a firm meditation, peaceful and pure.
Her garden is full up of fruits and provision.
The next Binghi Empress is dark like Makeda;
she gives abundantly like the Mother of Creation.
Smile dancing like fire, laughter like a river.
In the years of hardship we nursed our nurslings.
I&I White Rasta Sistren makes shell and bead art,
syncopates the drum to the rhythm of the heart.
Her Kingman is her Lord, yes, even if he is poor.
Who has the Fortitude to give up the World?

²⁹ *My Life and Ethiopia's Progress, the Autobiography of Emperor Haile Sellassie I*, v.1, p.42, translated by Edward Ullendorff (Oxford University Press 1976)

The Man who loves a Blackheart Ithiopian Woman
surely knows she is faithful in standing upright.
Fidelity is a Vow with JAH our private Witness.
No one but the 2 of us can minister this sacrament.
Nyahbinghi Daughter prays for Clarity of Vision,
Boboshanti Empress holds the Key to ZION.
The Princess of Israel brings Culture to the Nation,
and there are Sisters among us –
I&I open our eyes together, saying:
*See, the Eternal Father is manifest in Man,
so what is there to separate One from Another?
I&I are the Daughters of New Jerusalem
and ZION is truly Our Mother.*
There are six good things an Empress must learn
and a seventh that can save her life:
Discipline the tongue, the dress and the behaviour.
Sharpen your blade, cut wood to light the Fire.
Plant food and medicine all between the flowers.
Heal with herbs and hands, energy flow and water.
Fast for Repentance and to trod the Spirit Journeys.
Seek the adventure of teaching many Children.
Bring forth Life, with Knowledge and Great Strength.
In Thine hour of need I will help Thee.
Royal Empress of Bobo Ashanti
upholds the Word of Emmanuel
who renewed Moses Principle: 7 days unclean.
Then another 7 days shall pass
before the blood is purified.
Two weeks seclusion rest, inside house, unseen.
Empress is unfree after labour of birth,
so Priest stays apart from Mother and Child –
4 weeks if the Baby is a male Child,
8 weeks if a female gender.
Yet Nyahbinghi say a Man is free to be unfree.
Remember the Father was there at conception.
A Father's love brings joy to his Newborn Child.
His care for his Empress is celibate and tender.
Woman is the womb of man: mother and defender.
The Law is given for discipline,
yet JAH is the Innermost I of Overstanding.
I&I reason Truth and Heights,
hold on to the clearance that right choice is best.
Played Musical Revolution with 12 Tribes of Jacob,
blazed Binghi Fire, burned every false concept.
And called to the Tabernacle of Bobo Ashanti,
before the Altar of the Word I have been blessed.
Because of Mercy I&I have everlasting life.
Because of Mercy I&I have Salvation.
Because of Honour Emmanuel did teach I&I
to uphold the law of Empress separation,
while the Priest must refrain from the Altar
for the principle of a man purification.

Yet My Lord left out Moses Blade of Circumcision.
He chose to omit the Ram Sacrifice of Reparation.
And he never did tell us that an Eye for an Eye
is the Code of Retaliation.

Pharaoh used to consult a bull, his oracle and seer.
When it ate his food offering he took that for a bless.
Nubians mined his gold, died in the desert, no water.
Why is the Ethiopian always first choice to oppress?

Jeremiah said Israel would learn a New Law
directly from the Master:
a Covenant written with the Blood of the Lamb –
every heart shall overstand. (Jer 31:31-34, Lk 22:20)

The Stone Law was given to wandering tribes
on the exodus out from under Pharaoh's hand.
The Spirit of the Lamb says to the Higher Man:
Repatriation is to the Land.

*Any Man who learns to acknowledge the King –
from ever since Creation he has been a Rastaman.*

What JAH reveals in one Man Heart
is not exactly what He tells another.
That is why Man live respectfully apart –
each One Dominion distinct from his Brother.
Love One Another: His Lasting Command. (Jn 15:12)
Live For Each Other: It pleases Him.
One hundred and forty-four thousand Idren
shall Reason Iternal Reasoning.

Atheists say to Apostles: *Your Day of Judgment –
if it be true, bring it on and prove it.* (Qur'an 21:30-41)
Instead of keeping faith in a Promise of Heaven,
they demand evidence of Immediate Destruction.

But I saw Woman walking in celestial river valleys,
reaching heights of Faith and distance of Glory.
Woman shall help plant up the Gardens of ZION
and build Blackheart Family Foundation.

The Law of Woman is older than Deuteronomy,
older than Leviticus, grounded in Naturality.
Roots Woman youthful, in Age fortifying,
balanced by greens and beans, yam and papaya.

Nyahbinghi is Warrior and Queen of the Gardens.
She keeps her own domain on days of purification.
Three days again for upright, steady meditation:
fasting and cleansing are a sweet celebration.

Tho Nyahman resides in his own separate gates,
he speaks to his Empress, beholds her in his sight.
Christ was not disturbed by 12 years issue of blood
because the One who touched his cloak
was a Woman of Faith and Right.

Bobo Ashanti principle is consecrated separation.
Fast for faith, study JAH Word for sanctification.
Lengthen the spine and limbs in yoga meditation.
Circulate Breath Control along internal meridians.

A life of devotion has time for private purification:
Refrain from the tabernacle, gathering and session.
Cut the bad vibes, ride out from under oppression.
Without calm and discipline the Soul is tormented.
Now is the Only Time; no fear and no resentment.
Rebuke the unclean spirits that linger in our lives.
JAH will bless us with the place of contentment.

Fallen men have a pattern of stupidity and sin;
women follow helpless and worthless in their steps.
Pray hard to overcome the worldliness of men:
Give us courage to expose every devious trap.

Scripture has been coloured by political agendas:
to justify a People, to justify Man.
Man's view is reflected in how the Word is rendered.
Try to overstand it, no brainwash understand.

Man claims to be Head, even the First Creation.
Empress Know Thyself. You are equal to him.
His strength is the Flesh, your strength is Intuition.
Together you can balance the Yang and the Yin.
Who was really First – the Egg or the Chicken?
Was Man born of Woman or Woman out of Man?
We perceive of God as Father, Earth as I&I Mother,
but Spirit can't belong to one gender or the other.

Glorify how Times change, kings and queens reign,
princess and prince, priest and prophet come again.
The Fountain of Justice is the Heart of Humanity.
Show I how the I can be more Irie than I can be.
I&I reason truthfully for Peace and Overstanding.
Downpression rules when Law is too demanding.

*A Woman wins her Man: how does she do it?
By using her power of yin like an anchor,
a still, deep sea into which the river flows.
This is Passiveness, Absolutely Natural....
Everything has both Yin and Yang in it.
From their rise and fall coupling comes new Life.*³⁰

I was born a Soul Rebel; reggae music made I
Conscious. I&I have seen Lions on the battlefield,
seen valiant flesh get strike down, yet reggae has
called I&I to Life, guiding the lost sheep home to
12 Tribes, Nyahbinghi and Boboshanti. From my
youth Natty was waiting there, to see I thru.

I came out from Babylon, the Belly of the Beast.
The youths there wondered when the wars will end.
Bob Dylan sang the Answer is blowin' in the Wind.
When Black People were carried off to Babylon
for 400 years, African drum rhythms blended with
the instrumental melodies of European classical
music and church hymns. Black Israel wept by
the rivers of Babylon, singing spirituals and gospel
music, then blues and jazz, mento and calypso.

³⁰ *The Tao te Ching*

Folk music mixed with rock to protest the wars. Music mingled: white rock inspired by black blues; black reggae early influenced by white country rhythms, enriched with brass and lead bass guitar. The Black Slave Children sang rap and hiphop, R&B, samba, soca, dancehall. Africa blended a century of styles in highlife worldbeat. But what about the sinister side? What about undisciplined drumming summoning violent Shango, even acid and metal rock of Moloch and hypnotic chants that charm Kali-Ma? *Lamentations shall be their song.*

Rain falls and heartbeat drums echo in the Islands. In the tabernacles and gatherings only psalms are singing; this is the New Hymn of New Jerusalem. This is why the Priests say that reggae music is only for a time: Nyahbinghi is the higher heights.

Without a doubt reggae has carried the gospel truthful message to JAH People, even bringing the drums of Nyahbinghi into the session so that everyone might hear the sound of JAH Heartbeat before the bright morning when I&I fly away home. Yet reggae is contaminated by certain singers who promote rudeness and violence, dancehalls that push rum, and a shitstem that tempts the people to vanity, adultery, fornication and gangsterism.

Bobo Priest stands firm against reggae music: JAH Name must not be called in vain. Sing the sacred hymns together as One, not to promote celebrities or mafia behind distilleries, but rather to chant in harmony with the communities. Still the 12 Tribes of Israel proclaim that communities must first be gathered to hear the hymns, so the Word will be ministered by soundtrack and show. Meanwhile in the Fire Circle the Prophets foretell: *In the latter days of the Armageddeon even unto the days of Paradise, in these days shall be heard music like the sound of the ocean or the roar of thunder, or harpists playing their heartbeat harps.*

I can remember two visions from when I was just a young Daughter, not yet Conscious. Resting in the daytime, I saw a missile traveling low to the ground over the wide wilderness of the Wild West. Its radar navigational system directed it to rise and fall, swing and turn on its deadly path across the flat desert wastelands. Another day I lay myself down and traveled in Spirit as a bird, flying over a beautiful country of gardens and orchards, hills brilliant and shining under the sun. Years later I asked the Angel: Tell I the meaning of the visions:

The 1st vision is the doom of the Beast, the False Prophet, the Whore and the Dragon. The 2nd vision is the destiny of I&I RASTAFARI.

So I trod the long road to ZION, even as Isaiah said: *All who attach themselves to JAH to serve HIM and to love His Name, RASTAFARI, and be His Servants – all who observe the Sabbath, not profaning it – and cling to My Covenant – these I will bring to My Holy Mountain.* (Isaiah 56:1-8)

In the days to come I&I must drink the water filtered by the earth at the source of the Spring. This is the knowledge of the Black Survivors: for a time dust and rain are poisoned and unclean. Here fishes are swimming, birds are still singing. Thru the clay earth water springing.

In the Armageddeon zones of Africa and Asia, clean water is more precious than gold. Don't feel the rest of the world shall escape as Judgments continue to unfold.

Before the Flood, Arabia was joined to Ethiopia. The whole world flooded at the end of the Ice Age. All the seas were rising; the rains were torrential. The Red Sea expanded, covering the land bridge. The north-east tip of Africa, once the Plain of Eden, now lay beneath the waters of the Gulf of Islam. Noah floated over a year, over Kurdistan mountains. After the Flood receded it was warmer and wetter. The Pishon flowed again thru Arabian gardens, flowed from Havilah where Solomon's mines were. The Gihon came from South: the Land of Cush until the deserts took over all over again.³¹

It was here in Iraq where the Tigris and Euphrates joined the Gihon and the Pishon as it was set forth. Here the United Nations critical Mission of Peace is abolished in Earth Sanctuary (the Daily Sacrifice) and the Beast Manifesto of Dominance and Control is established (the Abomination of Desolation). How much more iniquity will JAH allow in Creation? There is a Day of Reckoning, sudden and violent. *It could be no more than a single mighty Blast, and behold! they are ashes, quenched and silent.*³²

From the coast of Palestine to the River Euphrates extends the battlefield of the Armageddon Plain. Don't delay, one day tomorrow will be That Day. Have we put away rice, some peas and flour, a hoe and a blade for the final hour? *We are living on Grace: That Day will come.*

Can we overcome the flesh to Fast and Pray – no Bread but the Spirit for hours or days? Then the Time of Judgment shall pass away. Do you love your neighbour, have you seeds? Are you willing to labour? JAH supply every need. In the Garden where I&I shall plant ganja again.

³¹ The Book of Genesis 2:5-16

³² From The Qur'an 36:13-32.

In America ganja was an export crop that built the economy. Farmers grew it tall and thin, like corn in the fields. Ganja stem made denim cloth, even rope to supply the warships. Vast Tribal Forests were claimed by Hearst, the media king and paper manufacturer; he contracted with DuPont who owned the commercial rights to a process using sulfuric acid to dissolve trees into wood pulp. The poisonous acid is channeled into the Rivers of Life, killing the quiet fish, even as the Tribes had foreseen in their Dreams. When Hearst and DuPont heard paper can be made more cheaply and safely from the stem of ganja, they knew that a ganja paper industry would surely topple their commercial monopoly. Then DuPont's financier Mellon of the Mellon Bank petitioned President Hoover to hire Mellon's nephew-in-law Anslinger as Head of the Federal Bureau of Narcotics and Dangerous Drugs, and he spoke to the Congress, saying: 'Marijuana is the most violence causing drug in the history of mankind.' And again he warned the White Congress Klansmen about 'Coloreds with big lips luring white women with jazz and marijuana.'³³ Greed and racism inspired the Beast to ban the Herb that purges I&I of sin, and fascist Singapore applies the Death Penalty.

Read the news! Babylon raids the fields in South and in the West they hold a set a Ganja Farmers! Meanwhile in the East they run their secret copter operation, thieving Rasta Harvest for their Pusherman Informers.

Ganja does not cloud the mind: it clears the mind in truthful examination. Ganja is not a 'recreational pleasure drug'; the leaves of the tree are for Healing the Nations.³⁴ Ganja does not addict or destruct the health: that is accomplished by rum and tobacco. Ganja does not corrupt the Conscious Youth: it keeps them away from cocaine and poppers. If you are not a smoker we might boil a pot of tea. If your conscience is clear, it's like a pot of prayer. That's why it's called the weed of wisdom, preferred by Hindu Pundits, the Holy Communion. I&I fast and pray, eating the Bread of His Spirit. I&I sip the Chalice, the Herb that cures the pagans. Truly, the Unrighteous despise the Ganja Herb because when they try to smoke it, their nerves are shaken, minds tormented – the same response as acute psychosis.

When they use it the Truth jumps up in they face. They meet up in vision with their own evil demons. Such sickening terrors I&I cannot imagine, since we have never chosen to serve the Devil.

It is easy to know the state of a man soul by watching his response to this simple Herb. Such a Mystic Meditation and a Heart a Love is the Spirit it brings forth in the Righteous One. Are you angry? *Ganja bringeth peace.* Are you guilty? *Ganja bringeth remorse.* Are you sorrowing? *Ganja is encouraging.* Are you hardened? *Ganja is softening.* Under persecution? *Ganja is strengthening.* Stressed with tension? *Ganja biscuits for tea.*

They claim say that ganja is bad for the brain, that it makes one lose focus towards a career. But I know herbalists with university degrees: teacher, programmer, doctor, lawyer, engineer.

Rasta light up the Chalice to rise up I&I Will Higher to the Will of the Almighty Who is Outside of Time, so that I&I stay in remembrance of Cavalry. Scripture calls Humility *the Fear of JAH*. Meditation Prayer has a big effect on Destiny. It's the difference between guidance and haste. But in the eyes of the System, Rasta always guilty, so I&I right to freely worship is legally erased.

The Covenant by Blood was the Gift of His Spirit.

He calls us to be Judges:

We listen to JAH and heed His Call. (Rev 20:4)

When I&I lay our structures down, we come again as Babe in Mother's arms. We who live in the Spirit shall not die at all.

Old Man gone ZION – did you ever consider that he family pregnant with a Man Child again? JAH Promise to Noah is *Life Iverlasting*, in the rainbow and rivers in the sky, bearing rain.

The knowledge that has been withheld from Roman doctors and scientists, I have learned from the Elders of the land: *Say Yes to Herbs ... they are vital to Man.*

Ganja tea is preventive and treatment for cancer. For bronchitis, a juice fast; smoke wild tobacco. To flush out worms: neem, wormgrass and senna, but don't use senna if the bowels are ulcerated. Breast milk is a remedy for eye infections, while a callous in the eye is softened with saliva. Drink bitter neem or zebapique for skin infections; a thick paste of ashes cuts fungus on the skin. Fresh ash burnt from pine wood or coconut shells kills thrush in baby mouth; sunlight cures his bottom. Sun on skin for jaundice and to build up resistance. Hot water and massage for breast milk congestion.

³³ *The Last Days of Legal Cannabis* by Jack Herer (*High Times Magazine* October 1990) ³⁴ *The Book of Revelation* 22:2

Set a coconut shell or cashew seed alight in the fire; the flaming charcoal is crushed on a platen.

The oil springing forth cures a tooth infection.

Soak it up and pack the tooth with a piece of cotton.

Gotu kola root and sarsaparilla cleanse and fortify.

Cool down acidic blood with lime or lemon water.

Aloes clean the bowels to cure inflamed appendix.

Pricker root and nettle tea for kidney and bladder.

Cayenne, called bird pepper, with lemon for fever, or stroke, shock, heart attack, too much bleeding.

For acne, asthma, allergies avoid milk and flour.

For sore throat sip raw lemon juice: it kills germs.

For the cold drink neem and chandelier leaf, garlic, ginger, cashew bark, saffron (called tumeric).

Leave out refined foods: white flour, sugar and rice.

They oxidize with fiery heat, glycemic and deadly.

Ital frees the bowels, food for health and life.

The Right Herbs correct the body's biochemistry.

Saffron for inflammation and prevention of senility.

Papaya, cayenne, aloes for ulcer and hemorrhoid.

Susumber, sea moss, bois bande for low vitality;

saffron root, nettle root, clay pack for prostate.

Bitter leaves of zebapique, caraili, neem and aloes lower high blood pressure and high blood sugar.

Bitter herbs must be avoided in pregnancy or frailty; for weakness drink wild celery root and eat greens.

Sweating can wash out snake, bat and dog poison.

Some sweat by running till they can't run no farther.

Force vomiting and purging; clean out the bowels.

Charcoal dust poultice; obie seed, charcoal water.

Damp clay for ulceration, pain or any inflammation.

Cashew bark for diarrhea, sore throat or toothache.

Cashew juice is energizing, strengthening the heart.

For malaria, boil the leaf with fevergrass and neem.

Chew a neem twig to prevent tooth decay;

the leaves preserve manuscripts, grains and seeds.

Neem repels termite, garden pest and mosquito.

Soak neem or garlic mash in oil for pain in the ears.

West Indian Elders teach yard and jungle medicine;

so too we have Sadhus who manipulate the bones,

correcting the structure when it opens out of line:

upper or lower back, muscle of belly or breastbone,

the bones of the chest may even need closing,

or Baby neck and collarbone must rub into place.

Lack of knowledge leads to 'crib death' in Babylon.

Many times we see them fail to hold Baby's head.

If it drops, shifting joints, damaging tender sinews,

days of pain can hinder the baby's nervous system

that regulates the heartbeat, even the airflow.

Systematic scientists should pray for guidance

concerning the things they fail to know.

They have lost the skills even of their own Elders: all the ways to heal with water; hot fomentations, alternated with wet clay packs or cold compress, a treatment for all forms of pain and congestion.

Baby Daughter struggled with cold in her lungs, I oiled her skin, closed the room and kept her warm.

My Lord covered us down with blankets;

I was holding the crying child, chest to bare chest.

My Lord was wringing very hot wet towels

to wrap in a dry towel and place across the chest.

Change hot towels 3 times, then a brief cold pack.

This is a hot and cold water compress.

Alternate 3 times: 10 minutes hot, 1 minute cold.

(Heat draws the blood, cold circulates it away.)

The child sweats in the blankets, coughs up cold

and starts to breathe more free again.

In a spoon squeeze juice from fonto leaf (lobelia);

mix it with coconut oil, lemon and honey:

a powerful dose to flush the bowels, (Jethro Kloss,

clean out the chest and the little belly. *Back to Eden*)

Strong lobelia in cayenne tea empties the stomach:

a Roots Remedy for serious trouble to breathe.

For cramps, childbirth, lockjaw, fits or convulsions

these two herbs in little sips bring fast relief.

For stroke wrap a cold water towel on the head.

The head should be raised, the feet in hot water.

Overcome paralysis with early continual massage;

rub with bird pepper oil, use hot and cold compress.

Sweating and massage are treatment for tumors;

saffron, ganja tea, soursop leaf; regular juice fasting.

Charcoal, sugar or clay earth for wound infection.

For fever, sponge with water as long as necessary.

Stop and cover when chilly; give sips of cool water;

use enemas and aloes, a little lobelia (wild tobacco).

Beard lichen hangs from forest trees in wet regions;

eat it for pneumonia, septic sores, bladder infection.

Seaweed is for thyroid health and binds radiation.

It builds the nerves and bones for stress protection.

Soak a wound in very hot water unto closure.

Sterilize with bird pepper in lemon juice liniment.

Seal the wound with aloes juice, let dry and band.

Change up the bandage by the same procedure.

Guidance is the prayer of the healing hand.

We don't need no injection to prevent conception.

Don't want no hormone drugs, neither no condom.

Just a thin slice of aloes at the base of the womb,

and cleansing with water and lemon.

The Holy One is Christ Creator, the Master Healer.

So long as there is breath, pray and try something.

Of the Kingdom, we know not the day nor the hour,

but know the Time is near

when the figs are flowersing. (Matthew 24:32-36)

Why do Babylon doctors never try to heal with fasting, massage, herbs and earth energy? They only know about poisonous drugs and surgical knives and mortuaries. Do they know of meditation, herbal detoxification? They eat of dead flesh like an unfinished cremation. And after the defilement of waste elimination, they don't even wash clean the skin contamination. The Wise Woman in Europe was burned alive if she knew the herbs or the work of the midwife. Long time the Roman scientists of Satan religion destroyed all the knowledge pertaining to Woman. Lacking instruction in relaxation and stimulation, many have departed in long travails of childbirth. That is how Tafari Mother gone ZION when he was just a babe of one year. Empress has lost all the natural information to bring forth life without danger or fear. Breathe slow and deep, relax in early labour. Remember to stimulate the nipples very regular. This will strengthen the powerful flex of the womb: kneel down, the urge to push will activate soon. Stimulation is a must if the birth is bottom-first to be sure the womb opens wide for the head. Turn a breech baby to one side, then to the other; on each side reach in and sweep down the arm. Turn to face back, hook finger in mouth to deliver. Mother must hold back as the head is appearing or the Child could fly out with force to rip open. Oil the birth opening to guard against tearing, use lemon and aloes to heal lacerations. Most births are head-first and deliver very natural. Loose the cord carefully if it circles the neck. Suck cold from the nose if it block from breathing, don't tie and cut the cord until blood stop pumping. *Who is this Babe still swathed in angel dust? Keep him warm; lemon cleans the cord; seal it with aloes. Hold sideways for nursing, on level with the breast. If he sucks the nipple in, it surely will be painful – let him open up wide, quickly pull him towards you. While he is suckling the womb needs massaging. Afterpains will bring it down and stop the bleeding. In the garden bury the afterbirth, plant a tree there. Blood from Earth Mother, Breath from JAH Father.* Babylon men could never know of Natural Life: *They only know to rape and plunder and rule.* I&I have a right not to be controlled by their deathbed hospital and brainwash school. What is tastier than smoke-flavour coconut Ital? Or sweeter than fruits your hands have gathered? The hills are covered with flowers of Saint Michael and the valleys are brimming with bountiful harvest.

Come stoop down here in the dirt, my children. Plant seeds yielding fruit that will bear more seed. Babylon in her greed has developed barren seeds, mutations bringing fruits that are sterile. Nitrogen collects on the roots of peas and beans. Wood ash is potassium and it sweetens forest soil. Food waste makes compost for rooting and bearing. Bird or bat guano is phosphate, rotten wood is fiber. Grass, leaves and dung decompose into topsoil. Mix it all with garden dirt, box round and cover. Poison juice of cassava is vaporized by cooking. Castor oil seed and unripe ackee fruit are deadly. Corn, peas and pumpkin encourage each other. Human dung is safely used dried and decayed. Stale pee for banana root, and all thru the garden. Bat, toad and porcupine eat multitudes of plagues. Bugs don't like garlic and chive, mint and thyme. Ashes stifle borers and chewers and suckers. Boiling water kills ants in their nests and tunnels. Ganja deters white moths that breed caterpillars. Corn must cross pollinate, so if there is no wind, dust tassels from one plant onto silks of another. Inbreeding weakens; mix seed from many parents. As silks begin to brown, a little oil prevents worms. Talk to the garden and to all who came before us: Tantie and Uncle from the atmospheric forces. Squat down to pull weeds and strengthen the back. Your hips must swing forward to support the torso. Like the Temple Warrior, your stance is graceful. Walk a wide walk on the road straight and narrow. Don't let your waist hang out, Princess! Band it, or when you're older the womb will tend to drop. Raise your chest Youthman, breathe of life deeply. Square the shoulders up and back, like Selassie. Your Backbone is the straight Rod of Iron. What ye plant now ye shall reap in ZION. Who is worthy of Salvation? *Come, you whom my Father has blessed, take for your heritage the Kingdom prepared for you since the foundation of the Earth. For I was hungry and you gave me food; I was thirsty and you gave me drink; I was a stranger and you made me welcome, naked and you clothed me, sick and you visited me, in prison and you came to see me.... I tell you solemnly, in so far as you did this for one of the least of these Bredren of Mine, You did it for I.*³⁵ All the Martyrs stand waiting for the Day of Account. *Holy, Faithful Master, how long will You wait before You pass sentence and take vengeance for our death on the Destroyers of the Earth?*³⁶

³⁵ Matthew 25:31-46

³⁶ Revelation 6:9-11

What kind of Man fulfills the vengeance of JAH?
This Man strikes terror in the hearts of the Infidels.
Be ye warned ALLAH has instructed him to slay
for sin and oppression are worse than slaughter.
Fight the Persecutors on and on (Qur'an 2:190-193)
until there is no more suppression of Faith,
until there prevails Justice and Faith in God
and the Idols are burned in flames that purify.

Al Mahdi, the One prophesied to come from Arabia,
shepherds sheep in the mountains of Khouasan,
where fields of ice rise above the fields of stone;
he was pre-ordained for punishment of nations.

When the armies of the Beast closed in on this
Man near the border of Pakistan, the bowels of the
Earth shook; many buildings and mountainsides
fell down and their armies scattered. *Weep, ye*
nations backing the Beast boasting blasphemies.

Isma'il is a Great Nation by Obedience of Faith.
Jes'us Christ was Muslim long before the Prophet
converted Arabia. All the Prophets have shared
the same mission: to make the people faithful and
charitable and worthy unto God. Muhammad's
people once fled to Ethiopia, seeking shelter of
Negus Ella Gabaz and favour of Negus Armah,
who honoured the Muslims for their love of Christ,
the Holy Apostle of God.³⁷ And the Angel of the
Lord had said unto John: *The witness Jes'us gave*
is the same as the Spirit of Prophecy. (Rev 19:5-10)

Christians say Rasta worship another than Christ:
I&I sight up Christ in Flesh – Eternal Spirit in I&I.
Muslims say Rasta make man partners with God:
*He has blessed I&I with a Spirit from Himself.*³⁸

The One who recognizes Haile Selassie as King
will receive a Kingly reward.

The One who Identifies RASTAFARI as JAH
will receive a Godly reward.³⁹

The Holy Spirit of Prophecy
is the Guidance of God in Man.

The Holy Spirit of Love
is the Forgiveness of God in Man.

The Holy Spirit of Jihad
is the Retribution of God in Man.

What them a go do? Them back against the wall.

JAH judges fairly, He punishes justly,
and He has condemned the famous prostitute
who corrupted the earth with her fornication;
*He has avenged His Servants that she killed.*⁴⁰

Abraham's 2 sons were separated in childhood,
but now Isma'il and Isaac are Bredren again,
reasoning about Babylon who is Fallen. *If Thou*
dost forgive them, Thou art the Exalted in Power,
the Wise ... Oft-Forgiving, Most Merciful. But the
*Condemned have wronged their own souls.*⁴¹

How much sodomy and fornication
have gone on at night behind closed doors?
Even in the towers of the World Trade Center,
even on the hundred and tenth floor.
And how many generations have been forewarned
to come out from her –

the wrong place at the wrong time?
She shall be paid in her own coin
double the amount that she exacted
*and many shall bear the punishment for her crime.*⁴²

When the sins of Babylon reached unto heaven,
at the hour when the planes and towers did fall,
while I&I prayed for the Innocent Ones,
still we know JAH is Master of All.

Do you remember the colonial days of slavery?
Do you remember the whip in the cane and cotton?
Do you know what it is to ride the train once again
from the diamond mines to the slums of Soweto,
hardened to sorrow, can't shed no tear,
visiting your Children twice for the year?

Do you remember the Conquistadores
and the Whitemen who won the West?

Do you remember beautiful Hiroshima
where every living thing perished?

Remember the ancient Black Tribes of Australia,
forced to live in the desert by British Imperialism.
Remember racial leaders of Stolen America
backing racial leaders of False Israel
against homeless Palestinians.

Remember the Oil Invasions: nations in coalition,
trying to rally with the Beast to rule Muslim lands.
Recall the rain of rockets from the Jihad in Lebanon
into occupied Palestine: the Plain of Armageddon.

John was captive on a prison island, fasting and
praying, when he was enraptured in mystic vision.
Caesar Nero was persecuting the early Christians.
John saw the River Euphrates dry up; it was the
great water that divided East from West. So he
foretold the rise of Islam and even the days when
the great water dividing East from West is the
Atlantic Ocean. Verily it has come to pass that a
way has opened for the Kings of the East to come
in, as if the ocean has dried up and there is no
longer any line of defense for the West. (Rev 16:12)

³⁷ From *The RASTAFARI Ible* by Jahson Atiba Alemu I (Research
Assoc. School Times Publ. and Frontline Dist. Intl., Inc. 1996, p.6).

³⁸ *The Gospel of John* 10:22-30 and *The Holy Qur'an* 58:22.

³⁹ From *Dread*, p. 110,111 (see footnote 8) ⁴⁰ *Revelation* 19:1-4

⁴¹ From *The Holy Qur'an* 5:121, 16:33.

⁴² *Revelation* 18:4-8

The Beast is the Lodge Government of America. We know this because of Ronald Wilson Reagan. Count the letters of his name: 6 6 6 and the gunshot wound to his chest that was healed. The whole world marveled and followed the Beast who was given his authority by the Dragon, which we know is the Church and State of Rome. The Presidential Beast has visited the Vatican, demanding the Pope blessing, then gone to War. Babylon is the Great Drunken Market Whore of New York and London Finance and Corruption, riding on the Beast.... *Watch at fire in the sky!* The Jewish State and Media, with False Prophecy, are able to fool the people, hide the truth of reality, pushing a militant zion and a futuristic fantasy, in the big screen cinema and on the TV – the Statue of the Beast that Speaks. As for the Mark – when a man sells his soul, his hands and his mind are sealed by the Devil, for works of Earth Destruction, wealth and vanity, while the Truthful Ones struggle to survive. (Rev 13) Three antichrist spirits have already gone out from the mouths of the Beast, the False Prophet and the Dragon. (Rev 16:12-16) The War is upon us; the man on the Dragon throne prays for unity and peace now the damage is done. Where is Grace in a Pope who insults Muhammad? Rejects Bob Dylan and every Conscious Prophet. He visits Nazi prisons and questions even God. He denies other Churches, indeed the Holy Spirit. From the Seeds of Isma'il have arisen the Angels of Retribution, flying forth from the Sanctuary of Testimony. In the face of death they do not cling to life. Hear Religious Hypocrites curse them, for great and terrible are the works of the Angels of the Wrath of God. *Did ye not know there would be victims on every side?* Rasta hate Violence, we are lovers of Peace, but I&I overstand that in the struggle against injustice Prophecy Must Fulfill. The Qur'an revealed righteousness in pagan lands, interpreting Signs and History, Right over Wrong. Don't mind it rejects the Trinity in favour of the One. Rasta Know both positions are positively strong. If Muslim Scripture says a man may have 4 wives, and Christian Scripture says a man may eat pork, remember JAH knows the weakness in men's lives, and all are being tested for Higher Faith and Works. *I have given Them the Glory You gave unto I, that They may be One as You and I are One. With I in Them and You in I, I&I are One in Love.*⁴³

⁴³ Christ Tafari, from *John* 17:22-26.

JAH has chosen His Soldiers from every religion, every creed and race, every language and nation. Some battle in Spirit while others fight in Flesh. Many will fall and rise again in this here Revelation. *Put not hope in reward, heed not pleasure nor pain. Stand up for the Right, no matter loss or gain.*⁴⁴ I&I defend Selassie: King of Salem, King of Peace. Woe to anyone who maketh war against us. *Grace was on Jes'us the day He was born, the day that He went forward to JAH and the day that He is raised up to Life Again!*⁴⁵ Hear the Promise of Christ: *I Shall Come Again.* He did not say where or when. Yet every Leader did see HIM when he judged the Divided Nations. The King of Kings first tried diplomacy; when that utterly failed he rode into battle. Attacked, My Lord fired cannon against the bombers. Exiled, he fired Words against the Nations. He returned as a Lion to reclaim his country, knowing that JAH stands for Justice; even then he forgave the Italians instantly at the victory, granting the settlers option to stay in Ethiopia: this forgiveness is also the code of Islam. Buddhists know *Trikaya*, the Trinity: God and Man and the Spirit of Consciousness. Hindus prophesy *Kalki*, the Rider on the White Horse who destroys the world in Judgment. The Saints of Christ Tafari and al Mahdi pray together: *Victory to Jes'us upon His White Horse.* Many religions have prophesied the Avatar of Judgment. Now Babylon is fallen, every knee shall bow and every tongue shall tell: *Only Christ Returned could defeat the Antichrist.* All True Religion leads to Christ, born of Flesh. He plants up the Heartland with Righteousness. That is why years ago as a forsaken Daughter of Babylon, I once did pray: *I will bring forth this Child alone; no unclean hand shall touch him. Let me die in childbirth if it is not Your Will that I deliver a Manchild who shall trod with the Idren in ZION.* Come Children, come make a move with the Idren. Let we journey over the mountain today. What shall we see on the donkey path? A deer in the valley, a tree full of parrots. If Ye, in the moment of passing, find the I Within, here is the narrow doorway in and out of Heaven. Flowers are dropping from the Immortelle trees and butterflies dance on the morning breeze. I&I have gathered seven conch shells for Judgment Last Trumpet Call. Come Children, blow your horns on the mountain for Queen Omega and for Ras Tafari.

⁴⁴ From *The Bhagavad Gita* 2:38.

⁴⁵ From *The Qur'an* 19:30-33.

7. ZION

*If you refrain from trampling the Sabbath,
and doing business on the Holy Day,
if you call the Sabbath 'Delightful',
and the day sacred to JAH 'Honourable',
if you honour it by abstaining from travel,
from doing business and from gossip,
then shall you find your happiness in I ...
and I will lead you triumphant
over the heights of the land.
I will feed you on the heritage of Jacob your father.
For the mouth of JAH has spoken.*⁴⁶

Isaiah said not to travel on the Sabbath;
still Imanuel trod thru the fields with the Bredren.
He said: *My Father goes on working, and so do I.
For the Son of Man is Master of the Sabbath.*⁴⁷
By this he meant that holy works could go on.
Listen for My Voice: Rain, Breeze and Thunder.

That's why I&I might trod on a Mission
even on the Sabbath Day,
give thanks and praise for Mother Creation,
pick ripe fruits along the way.
If plants in the garden are dying of thirst,
give them a little water to drink,
and if anyone is sick or needy
we must surely tend to them.
I&I shall not do no unnecessary work;
please JAH we won't deal with no money.
Come Tabernacle in the Kingdom of Glory!
Sabbath Rest is the Best. I&I Know it is Blessed.
Honourable One remembers the Goodness of God.

Jes'us Imanuel did many things on the Sabbath
that the Pharisees said was against the law.
Laws upon laws: don't walk thru the fields,
don't pick no corn, don't run no demons.
Don't heal the sick or make the lame to walk.
Don't even carry your sleeping-mat.

Look the man in Numbers was stoned to death
for gathering wood on the day of Sabbath rest.
Hypocrites demand *obedience*,
cannot conceive *forgiveness*.

JAH makes use of the Devil to put man to the test.
The Qur'an has no mention of sentence by stoning.
Off-Forgiving, Most Merciful; so it is said of ALLAH.
Muhammad made allowance for repentant atoning.
By now men should know Mercy is the Higher Law.
Therefore No Mercy for the Merciless:
My Lord has a Harvesting Hand,
with an Iron Rod and a Sickle Cutlass
for the Babylonian man.

Be ye not deceived; bring Meaning and Answers.
And be ye not rigid, like Taliban and Pharisee
who require blood penance and blood retribution.
They administer the Law like whips and chains,
while living for themselves – so they live in vain.

Remember in the days when Judas Maccabaeus
was a youthman, one thousand of the Faithful
who were hiding in the desert were attacked by
the soldiers of Antiochus Epiphanes, and they
put up no resistance because it was the Sabbath,
and every Man was massacred, every Woman
and Child, even their cattle. Maccabaeus father
Mattathias said unto the Resistance Fighters:
*If we all do as our brothers have done, and refuse
to fight the pagans for our lives and institutions,
they will only destroy us the sooner from the Earth.
If anyone attacks us on the Sabbath Day, whoever
he may be, we will resist him; we must not all be
killed, as our brothers were in the hiding places.*⁴⁸

Then Mattathias went forth with the seeds of his
generation to kill the pagans who were sacrificing
his people on the abomination of desolation, which
was the altar of Zeus that the Greeks had erected
over the Altar of Daily Sacrifice. I&I remembered
the persecution of Daniel and prayed for the time
when Messiah would come. And Maccabaeus
rallied the Faithful to ride forth and kill hundreds
of thousands of the wicked western white warriors.
And this Book was later torn out from the Roman
Bible, but a few copies were hidden by the Saints.

Selassie kept faith in the Books of Prophecy and
the African Culture of Humanity and Inity. *What
good is Faith without fulfillment of Prophecy? What
good is Prophecy without Faith in the Eternal One?*

The King with goodwill put his trust in the League
of Nations, confident that by the Covenant of the
League and the principle of Collective Security,
no foreign aggressor would dare to contest King
David's Throne. But traitorous men of England and
France sabotaged the sacred Vow of the League,
conniving with Mussolini that Italy should conquer
and colonize Ethiopia. The Dragon then reared
his horrible head to decimate the Lion of Judah.
That is how the King of Peace was called to War.

Some years before his Coronation when Ras
Tafari visited the Kings and Queens of Europe
with his Royal Entourage, in their Courts he was
exceedingly honoured. Warships fired cannon,
soldiers played the Ethiopian National Anthem.

⁴⁶ The Prophecies of Isaiah 58:13-14

⁴⁷ The Gospels as Revealed to John 5:10-18 and Matthew 12:1-8

⁴⁸ The First Book of Maccabees 2:1-70 (The Jerusalem Bible)

Kings did stand up when they saw HIM, (Isaiah 49:7) and princes did bow ... to the Ruler of Abyssinia, a distant mysterious Christian land whose dark, thick jungles and steep mountain cliffs were written up by explorers seeking the source of the Nile, also the country from which The Book of the Queen of Sheba and Her Only Son Meneylek had been translated from Ethiopic into English.

In every Palace of European Royalty, gifts were exchanged along with expressions of friendship and cooperation. Ras Tafari even presented the Order of Solomon to King Victor Emmanuel III of Italy, which made Mussolini mutter enviously: Just who does that Black Man think He Is?

For many days the Italian Airforce sprayed Mustard Gas Rain on the Warriors of Ethiopia who were fighting with spears and cannon and old rifles from the Battle of Adowa. Liquid fire rained on soldiers, women, children, cattle, pastures, ponds and fields.

When I&I saw the dread sign of the abomination of desolation, I&I did run for the hills to hide up in the caves and bushes; we did not have even a moment to spare. The fleet of planes came flying again and again, day after day, spraying a drizzle of poison rain over the entire countryside. Anything it touched blistered, peeled and melted, especially our lungs and our eyes and the soft, weak parts of the flesh; we died in agony. It was a time of trouble worse than ever was or shall be, and it was a time when our Great Prince, called Michael, stood up and marched out with valour to meet the invading armies of Rome. This was the Great Apostasy of Mussolini against the King, the Son of Destruction against the Son of Man. If JAH had not shortened those days, no one would have been left alive, but His Majesty then retreated so I&I Ethiopian People would not be utterly exterminated from the face of the Earth, even for the sake of those who are chosen in the Final Judgment. The rebellion of Rome against the Christian Ethiopian Throne of David had been at work in secret for a very long time. The Rebel challenged the power of the Prince of Princes, abolishing the perpetual Praises and overthrowing the foundation of the Sanctuary, and the army too, even setting up Iniquity on the Sacrament and flinging Truth to the ground. But My Lord would annihilate him with the Word of His Mouth at His Coming. Not by hand, but by Disgrace, the Devil would declare himself broken: 'I am finished; my star has fallen; I await the end.' His own Roman people would shoot him dead, to hang by his heels and be stoned in the city square. (Mt 24, 2 Th 2, Dn 8,12)

Who, while retreating, would pilgrimage to pray? So My Lord wept in Rock Churches of Lalibela. Wept for lives fleeting, woes increasing every day; prayed for Ethiopia, to the One who had upheld her.

I see baldhead Italian soldiers beating Orthodox Priests to death ... why? ... because they refuse to excommunicate the Freedom Fighters. I see a bomb pelt at a Roman Commander. 3 days now I watching White Romans in Black Shirts with Gun spraying and Knife stabbing, Club smashing and Torch blazing Thatch Roof Cottage; blood flows down streets in little streams; I hear thousands of Black Man Woman Children screaming no longer.

The Romans tortured prisoners, raped Christian and Muslim wives and virgins, bludgeoned little babies, set churches on fire and burned at the stake those who refused to bow to the Dragon. I tell you most solemnly of the final chapter of the Catholic Inquisition when Ethiopians enlisted in the Great Martyrdom of the Millennium of Saints.

Immediately after the distress of those days, War broke out in the Heavens from whence bombs fell, and on Earth where the bombs were falling. The sign of the Son of Man appeared with power and glory. The whole world did see HIM and hear His Persevering Word of Judgment upon the Nations.

The disastrous abomination had been blessed by the Pope. His Majesty advanced into exile in England while his home government relocated to the southwestern town of Gore. From his English headquarters Selassie petitioned the Judiciary of Nations and raised funds for the Refugees and the Resistance. At the 1936 Assembly in Geneva My Lord Judged the Nations Collectively Guilty of Genocide, having prevented his people from even defending themselves by prohibiting the export of weapons to Ethiopia after the Italian Invasion.

If this is the first occasion a King has spoken before the League of Nations, it is only because such terrible acts of violence have never before been witnessed by civilization.

And never has a government set out to destroy an entire people of another race, while transgressing the Covenant of 52 Nations, so the Promise becomes hollow and the Purpose is disgraced.

Mustard gas on the skin caused blistering sores. Poisoned water made Our People wail and bite their tongues for pain.

Many thousands died in torment during those days and it is a Judgment upon the Nations that terrible things shall happen again.

*Of what use is a promise of friendship and trust
if one talks about peace with malice in the heart?
What good is a Treaty of International Law
if one's intentions are deceptive
and aggressive from the start?*

*Our soldiers were attacked at Walwal in the desert
yet We always responded with efforts for peace.
We referred all disputes to the League of Nations
yet the Enemy provoked the violence to increase.
Meanwhile the Nations of Europe were fearful
that Italy would turn her aggression on them,
so the smaller Nations they had pledged to protect
were betrayed as France and Britain bowed
before their fascist friend.*

*If a Nation of 42 million, wealthy and well-armed,
is allowed to invade a small, impoverished Land,
will the other Nations also succumb to Brute Force
when Satan betrays them, increasing his demand?⁴⁹*

Behold a sharp sword came forth from His Mouth, smiting the Nations and loosing the 7th Seal of the Book Daniel was told to keep sealed, which Christ revealed to John who ate the Book and prophesied Emperors and Languages and Nations. Now watch Europe fall desolate before the armies of Hitler, Stalin and Mussolini, who sacrifice millions of Jews, Slavs, Africans and Roma Gypsies (from India) to a golden battyboy god with blond hair and blue eyes.

Without the Throne of David, how could Europe expect Peace to prevail? The sanctity of Ethiopia, where the Ark dwelled, was inseparably bound to the sanctity of the League, whose members had vowed to keep the Covenant of Nations.

Turn your back on JAH but you cannot escape HIM. Without peace in Ethiopia, no peace in the World. When the King of Kings was restored to Ethiopia, only then could Peace be restored to the World.

By mid-1937 the Ethiopian situation had yet to be decided. The British supported the Emperor but were afraid of offending the Italians. A Judas approach was gaining ground that Italy could help modernize Ethiopia under mandate of the League. But Italian submarines began to torpedo British and European warships, provoking Britain and France to claim Naval Authority over the Mediterranean Sea. Having already rebelled against the Lord, Mussolini now raged against all men because the Mediterranean had once belonged to Rome. He visited Hitler; they made proud proclamations of vicious and vain Nazi and Fascist propaganda.

*They took the Signs of God in jest,
and the life of the world deceived them. (Qur'an 45:35)*

From that time the world went into a downward spin, first trying to appease the aggressors, then left with no choice but War: *inhumanity, atrocities and casualties worse than ever before in history.* The White Christian nations were reaping the fruits of racism and exploitation. Slavery had not been justified by the Protestant Work Ethic. Genocide had not been justified by the Catholic Missions. The tables had turned: the only solution for Britain was to help restore David's Throne, to bring Rome to her knees, who threatened Christian civilization. Remember the religious struggles of Britain and Europe for centuries against the Church at Rome; this was the Reformation Road of Revelation.

In exile Selassie laboured diplomatically, rallying for Ethiopia as member of the League of Nations, against opposition claims that, 'Ethiopia no longer exists!' His Majesty and the other Exiles were sustained by donations. Writing to the Freedom Fighters in Western Ethiopia, My Lord tactically planned the return campaign to Addis Ababa.

Mussolini tried to buy him off, begging Selassie to surrender the Resistance for a million pounds and a piece of the Nation. My Lord, incorruptible, rebuked Satan: *I left my country not to sell it but to seek justice for my people and my country. The history of Ethiopia will not be despoiled by a guinea stained with the blood of Ethiopians.*⁵⁰

When His Majesty had visited the King of England in 1924, Princess Elizabeth was not yet born. She grew up in literature, politics, white-washed history and Anglican false values. Her capital resources were the invested profits from worldwide stolen land and slave labour, even the diamond mines of India and Africa. She would serve as a Counsellor of State while her father inspected the battle fronts. The War Tides turned in 1941 when Haile Selassie guided the Allies and the Ethiopian Resistance as the Gideon Force to free the land of His Heritage.

His Majesty's battalion penetrated from the Sudan, maneuvering surprise attacks on Forces twenty times greater. After 100 days campaign thru deep ravines and mountains, riding victorious into Addis Ababa, My Lord liberated all the conquered Italian civilians in the city, granting each one permission to stay or to leave. *He is Worthy to Judge, the Merciful One. The Lion of Judah hath Prevailed.*

⁴⁹Adapted from *My Life and Ethiopia's Progress, the Autobiography of Emperor Haile Sellassie I*, v.I, Chapter 50, translated by Edward Ullendorff (Oxford University Press 1976).

⁵⁰*My Life and Ethiopia's Progress, the Autobiography of Emperor Haile Sellassie I*, v.II, p.44, ed. H. Marcus, E. Gebissa (Research Assoc. School Times Publ. & Frontline Distribution Intl., Inc. 1999)

In this Time of Grace before the Day of Account, My Lord has been sending His Angels with loud trumpets to gather His Chosen from the 4 Winds, from one end of Heaven to the other. Everyone who has ever lived has been raised to life and given time to know Christ has verily Come Again. But RASTAFARI preaching and very few listening.

After Britain and France claimed control of the Sea in the Nyon, Switzerland Accord of 1937, (09/14/1937) and Mussolini threatened Great Britain with war – a war like none ever fought before under Heaven – Prime Minister Chamberlain tried to appease him, but the omen of War had already been given.

Mussolini intended Rome to rule the world again. Chamberlain would have traded Ethiopia for peace. So the Covenant of the League was truly abolished and the disastrous abomination set up in its place.

One thousand two hundred ninety days after Nyon, the Lion choked the Dragon with his iron chain.*

Blessed were they who attained 1335 days: (Dn 12) David's Royal Government set up again. (05/10/1941)

All this was signs of the Time of the End:

Satan let loose to deceive the Nations. (Rev 20:7-10)

His armies were as many as the sands of the sea, swarming over Addis Ababa: Ethiopian Jerusalem.

Indeed from the Roman attack at Walwal, (12/05/1934) thru the years the Daily Sacrifice was abolished, until the borders were again secured for the King on all 3 battlefronts by the Allies: *(03/26/1941)

2303 days, then the Sanctuary restored. (Dn 8:9-14) It was Rome's final defeat: she would not rise again.

In the War for Supreme Domination, the warlords of Japan rose up as a giant sea serpent to build a fascist empire in China and the South Pacific; the Serpent massacred millions of Asians. The Beast would not bother with the War until one morning its ships were all torpedo bombed in the North Pacific. Then the Beast would detonate 2 nuclear devices, desolating the people of Japan: 200,000 in 2 blows.

After World War Two, 600,000 False Israelite Jews occupied Palestine. Under the flag of false prophet zionism they defeated 1,300,000 resident Muslim Arabs even tho ZION had long ago departed to Ethiopia with Meneylek I. In A.D. 70 the Romans had conquered Jerusalem, banishing the Jews who scattered over North Africa, Spain and Middle East while the Davidic lineage of Meneylek intermarried with Ethiopian races and glorified the Messiah that the Jews had rejected (because he was not the warrior king they expected). Jerusalem became the trophy of Muslim and Christian wars, tho shared by Salah al-Din Yusuf with all religious pilgrims.

In the Last Days, even as the Italian-Romans once again tried to usurp the Throne of David, until they were defeated by the Ethiopian Root of David, Britain sanctioned the Jewish invasion of Palestine. Henceforth the persecuted become the persecutors; the False State of Israel perversely fulfills Ezekiel's description of the Enemy: *Gog and Magog*: (Ez 38) converted Khazar Jews of Russia and East Europe whose ancestors had never even seen Jerusalem, now covered the mountains of Ancient Israel like a cloud to plunder the Nation of Palestine: *a People gathered out of other Nations: stock-breeders and tradesmen* descended from the Canaanites and mixed with Amorite, Philistine, Egyptian, Syrian, Babylonian, Persian, Greek, Roman and Arabian, converted by Muhammad to praise One ALLAH.

The True Children of Abraham, in the sight of JAH, are the Humble of All Religions who venerate HIM. The People of the Book and Family of Christ make manifest His Spirit so JAH consecrates them. But the guardsmen of Egypt, Babylon and Rome are them whose Word and Deed desecrate HIM.

The Mighty British Empire withdrew from India when Gandhi the Martyr exposed white violence and showed the masses how after 2 World Wars, Oppression is defeated by Peaceful Resistance. But Violence is a spirit that does rule the world. So Britain split India and Pakistan as rivals, forcing mass migrations of Hindus and Muslims – politics poisons religion to keep all nations tribal.

Elizabeth the Second invited Selassie the First to Buckingham Palace, beside abundant waters. She reigns over fornicating North Atlantic Markets, drunk from drinking blood of the Saints and Martyrs. The Queen sits on top of 7 fallen Empires: (Rev 17) Egypt and Assyria, Babylon, Persia and Greece, followed by Rome, and the British Empire after, and an 8th came from the 7th – America the Beast.

When Colonialism collapsed in Africa, its dead weight shattered the Continent. Technology gained ground in the Wars, Nations gained assurance of Mutual Destruction: the legacy of Cain and the Judgment of Selassie, who testified: *When the Righteous Judge stood up to dispense Justice, each government regretted the result that befell it.*⁵¹ *For there has been prepared beforehand, yes, made ready for Moloch, a pit deep and wide with straw and wood in plenty. The breath of JAH, like a stream of brimstone, will set fire to it.*⁵²

⁵¹ *Ibid*, p.1. All nations mourned the destruction of World War Two: some lost millions of lives, and hundreds of thousands. (Rev 1:4-8)

⁵² *The Prophecies of Isaiah Chapter 30*

Western Empires have upheld ideals of the rights and freedoms of men, especially the right to amass wealth and freedom to sin. Desiring freedom from tyranny, nations have cut the power of Caesar in favour of majority rule. *But what is Israel without a King?* Moses can attest the majority are easily led astray and lost. Christ can testify the majority are easily impressed by lies and violence. So I&I don't take them on – the deceivers who call His Majesty a tyrant and a thief, blaspheming the name of the Humble Man of God who saved Black People from the Dragon, rescued African Culture from White Imperialism, and preserved the Spirit of Truth and Righteousness amidst treachery and vile cruelty.

*Far from Rome and Buckingham Palace,
I&I light up the Communion Chalice
and give thanks for Solidarity:*

Only Rasta unite the Caribbean.

*While the world fights for Jerusalem in the desert,
ZION is a land red, gold and green.*

The West Indies have a long history of division: Carib against Arawak, Dutch against Spanish, British against French, Master against Slave, America against Cuba, Police against Rasta, Powermongering Politicians against Poor People.

After America invaded Grenada, some of the sly Socialist politicians switched to rule with the Beast. They claimed that during the revolution they had organized their soldiers to peacefully cutlass and cultivate the bountiful gardens at Hopevale Estate. But I&I know the truth that cannot be concealed: I&I RASTAFARI were locked down and forced to till the soil at gunpoint. And many of our leaders have sold their soul for a moment of political power.

The majority of politicians become front-men for the mafia, worshipping the gods of all the false western ism-schisms of imperialism, capitalism colonialism, communism, fascism, hedonism, socialism, atheism: Satan divided dominion.

*Fire blaze Satan, Lucifer and Leviathan, serpents
of earth, air and water! Melt in the Lake of Fire!*

Yes, the Grenadian Socialists were the same Party as the officers who took out His Majesty's government and slaughtered the citizens of lovely Addis Ababa. The brutality and starvation during Mengistu's regime were even exceedingly worse than the sufferation of Ethiopia in the final famine years of Selassie's Earthly Reign. *Revolutionary Ethiopia or Death!* They wanted to murder the entire opposition, even organizing bloodbaths of the Youth. Mengistu ordered the execution of the King of Kings. Did he believe he could kill JAH?

Mengistu massacred the teachers and students. He killed generals, patriarchs, even his comrades. He forced 100,000 people from highland farms, to die from malaria in the hot jungle valleys. How many starved or were killed or disappeared? Mengistu's rebellion was fueled by blood and fear. *A judgment on Zimbabwe for hiding him there.*

My Lord was the head cornerstone the builders refused. For many years the King had struggled to unite all the peoples of Ancient Ethiopia so that the Mountains could connect to the Red Sea Coast. But White Russians seduced the young Ethiopian officers and intellectuals with brain-washing psycho mechanisms developed in laboratories, offering them Government and Factories Owned by the People, which always turns out to be a licensed-to-kill mental-slavery system of oppression that allows no King and no praises or worship because the Political Party is their king and the Gun is their god. Already the same White Bear had destroyed China, Tibet, Asia: all the Temples of Compassion.

Today the climate researchers come and explain that the drought that dried up the African Rains, killing millions of Black People by slow starvation, is caused by pollution of far off western nations, which has changed the physics of cloud formations, from 1970 until today: industrial air contamination.

Mama Africa had survived in a fragile balance that was quickly destroyed by greed and illusion backing technological advancement. Communities are wiped out in wars for water, land and minerals. Populations multiply because of modern medicine, yet whole tribes die of starvation when their hunting lands are bounded off as wildlife reserves for rich white men to hunt lions. Millions of cattle starve for want of grass when the shepherd tribes all gather at one modern electric well. Toxic poisons lie buried under village streets where children play in the dust. In the river valley, giant agro-industries prevent tribes from reaching the water's edge.

Where shall I&I graze the cattle?

Where shall I&I find water?

*When they rape our land with tractor machines,
where shall I&I go?*

*We shall join the ranks of the jobless,
scrambling like rats in the city.*

*The bush is full up with landmines;
let us live in the slums and scavenge the dumps.*

Look the Enemy Tribes are coming!

Run, come flee across the Border!

*We will live on the little bit of handouts
we can get from the New World Order.*

Men of the New World Order like to experiment on Africa with Western economic and political models. These days they like to talk about 'Sustainable Growth' as the answer to African Sufferation.

Yet the only thing that will sustain Mama Africa and the only thing that will sustain Mother Earth is RASTAFARI Natural Life, the True Repatriation.

When western pollution provoked global warming, the rains failed again in Ethiopia in 1973. Selassie had already established storehouses full of grain for food and seed, but the same brand and breed of Government Officials who had blocked transfer of free lands to the Poor Peasants – these False Stewards tried to conceal from the world and from the Emperor the truth about the Starving Sufferas. The Farmers and Children came up to Addis Ababa begging for food, only to be turned away at road-blocks by Army and Police. Black People suffered Black People to die of hunger by many scores of thousands on the roadside. And Ethiopia was just the first casualty of a man-made climate calamity.

When His Majesty learned of the worsening famine, he was frail and full of years and terribly saddened. He had served his People faithfully for all his life; now he was corruptly undermined by his Ministers and Officials. Corruption is a thing that does bring down all the governments of the world. So it was that Ethiopia did fall by corruption and Selassie left His worldly throne to sit on the Seat of Judgment.

The First Nations of the Americas can also attest how white men destroyed the Balance of Life and took all the land of the Ancestors, herding families like buffalo onto the reservations, poisoning the air and the soil and the waters, covering the land with pitch and concrete, driving out the birds and animals, energizing the cities with power factories that split the atom in nuclear furnaces of Hell.

A false god of Materialism overburdens the Earth, fed by rearing and slaying and eating of all Flesh. Deserts are growing, Forests are burning, Ice Caps are melting, Coral Reefs bleaching, Stormwinds and Floods are disastrous and deadly.

*The Nations of Moloch are not to be excused: If they are capable of acquiring enough knowledge to be able to investigate the world, how have they been so slow to find its Master?*⁵³

*To the Emperor, every Man, Woman and Child has the Right of direct appeal. The time has come to petition the Judge to destroy those who are destroying the Earth.*⁵⁴

⁵³ The Book of Wisdom Ch. 13 ⁵⁴ The Book of Revelation 11:15-19

My Lord had built up his armies, filled armouries and grainaries as preparation against foreign aggression. Yet the Enemy had penetrated within. The American Empire paid hundreds of millions for military equipment and training for Ethiopia during the years between the Great Wars and the Great Famines. The Russian Empire infiltrated with weapons and deceitful literature of subversive propaganda. Well-armed and dangerous, the ruthless pirates pressed the faithless sailors to mutiny and smash the Great Ship on the Rocks.

His Majesty had fulfilled his days with works of benevolence and words of justice. Now 82 years, foreseeing only devastation, he yielded to avert it. He said: *We have raised these soldiers from their childhood, they will not harm their Country.... We have always done what is best for Ethiopia. If this is for the Good of the Nation, So Be It.*⁵⁵

Selassie signed orders for his Officials to surrender. The Army had promised no blood would be shed. But All were betrayed, and last of all their Emperor. The killing would not stop until Millions were dead. Mengistu had everyone killed who might resist him. No rain fell. The world tried to ease the starvation, but aid was denied to whole provinces in opposition.

I&I know the prayer of the Christian King and Martyr for the Ethiopian Traitors who ravaged Ethiopia, the Savages who savaged the Throne of David. He was martyred – not to pay for man's sin again – but as Witness to Himself, the Christ Returned: *Forgive them Father; they know not what they do.*

Then My Lord's Spirit flowed to His Children again, to whom He gave the Inheritance of His Grace. By the Root of Jesse, JAH raised His Hand once more to acquire a remnant of His People left over from all the Exiles, from the 4 corners of the Earth. The King always told us that Life alternates between joy and sorrow. The Sceptre shall not depart from Judah and Shiloh will come, and unto HIM shall the gathering of the People be. (Is 11:10-12, Gen 49:10)

Many spiritualize the Second Advent of Christ. They say the Son of Man could not be a Mortal Man, but only a force of Destruction and Resurrection. The Martyrdom of the all-powerful King of Saints they cannot seem to overstand. (Rev 14:13)

We have looked upon an Earthly King in His beauty. I&I find sufficient His Justice and Righteous Glory. His Human Incarnations prove that Spirit is Eternal. The Renewal of Life is the point of the whole Story.

⁵⁵ *Sheltered by the King*, by Marta Gabre-Tsadick (Chosen Books: Virginia, 1983) and *Class and Revolution in Ethiopia*, by John Markakis and Nega Ayele (Spokesman: Nottingham, 1978)

*Everything you say ... remember the End Times.
 Everything you do ... be Conscious of End Times.
 What a Joy, by Shiloh's Grace,
 to conquer evil, doing Good.
 Glorify the Man who is King of the Judgment.*

To I&I the Children, My Lord Shiloh has given the Promise of the Ark of ZION, Repatriation, the Iron Sceptre of the Rainbow Circle Throne, and the Spiritual Leader Ship of the Black Star Line. This was in Jamaica in 1966 when thousands came out to meet HIM, wearing Tam and Turban and Dreadlocks Crown – the Faithful Ones who witnessed the holes in His Hands as He greeted I&I RASTAFARI, the People who Identify with HIM. The Queen of Babylon has neglected to help us, yet we know say Repatriation is a Must. *If not by the hand of Man or United Nations, then by Earthquake, Lightning and Thunder.*⁵⁶ Not long ago the Queen passed thru Jamaica, promising to consider repatriation and reparations. Then she went home to lavish a queenly jubilee so that I&I would know she is not our salvation. Every nation of people has its roots in Africa. By Majestic Decision of the Lion of Judah, harlot Babylon throne is fallen and still falling while the Righteous sail home on the Black Star Line. I&I don't have no 20 million pounds sterling to build a fleet of highwater ships. I&I don't have much of material wealth, yet still we are blessed with Consciousness. *Repatriation is a Spiritual Journey to Blackness. Africa is a Natural and Royal way of Life. ZION is tropical, even sub-tropical. Many Lands were set forth as Gardens.*

When I lived among people of White Race Culture, I learned how to betray my friend, how to shame and corrupt myself, and to put a price on everything. X meant Wrong and a vote for de Mockracy; I learned to stay alone to avoid the selfish cliques. I thought by my own will I could achieve anything, yet I lived in fear of nuclear destroying everything. Now I live among people of Black Race Culture, I have learned to let go a grudge – how to forgive, how to live royally and love with loyalty, how to give something for nothing. R stands for Righteousness of RASTAFARI. Demons retreat before the Prayers of the Godly. I&I Know that by JAH Will we can fulfill JAH Work: Life Iver-Living and Redemption of Earth.

I recall David Livingstone, suffering malaria in Africa, opposing black slave raiders, teaching the Gospel. But his maps opened doors to colonial exploitation. His Mission for Christ was abused by imposters. Africans are reproached for selling their People, yet I&I had a dread choice: enslave or be slaves. I say Babylon System is powered by Sin. Rasta Culture is Jerusalem Schoolroom. Yes, this is my testimony of *Black Supremacy*: not a matter of being racial, but of Living Right. I&I live humble, in prayer and naturality, more ready and fit than if we try to live white.

Daughter, teach the Children: *Don't eat no Dead.* Youth, tell the Children: *Nah give up the I Dread.* Tasting Blood is a chemical and spiritual addiction. Eating Flesh keeps Mankind trapped in Violence. Remember the Pharisees did fight down My Lord when the Disciples ate corn with unwashed hands. *What goes into a man does not make him unclean. What comes out a man makes him unclean.* (Mk 7:15) He was saying Man Word and Deed must be clean, even saying Man could eat with unwashed hands. It was not recommendation for I&I to eat flesh. *In His Name I&I shall do greater works than Him.*⁵⁷ When JAH painted His Rainbow Redemption Sign, His Covenant with Noah was to eat no blood.⁵⁸ To imagine one can drain all the blood from flesh is no justification for eating what is Dead.

When I&I stop eat Animals – in love and humility – anything that creepeth or flyeth or swims the sea, then I&I shall be fully and completely Redeemed from Original Sin and the Fall from Grace. When I&I put it on – the Mantle of Redemption – I&I the Fire People shall fulfill His Communion. Be devoted to Life and Life will give back to You. Raspect for Life is due: Nyahbinghi Groundation. *The Pure One eats Ital; it lengthens his days, giving energy and health, happiness and peace. He who harms no one the world cannot harm. This One is beloved to Me.*⁵⁹

For 100 years before Christ birth, 4000 Saints lived in the Hills of Judea, even by Jordan River and the Dead Sea. I&I shared all that we owned: *One Community.* 3 times each day I&I bathed and put on white robes to pray before eating the Ital. On Friday sabbatical food was prepared so no fire would blaze on the Sabbath. We kept our Ancient Scrolls in the Caves at Qumran. I&I preferred this wilderness where John Baptist would also preach.

⁵⁶ From Priest Emmanuel, *Black Supremacy*, p. 36B (E.A.B.I.C.).

⁵⁷ John 14:10-12

⁵⁸ Genesis 9:4

⁵⁹ Bhagavad Gita 17:8,12:15

It was Moses Law the Bredren honoured. I&I used to gather by the sea and prophesy of ZION:

*At the End of the Age the Righteous Ones shall dwell on the Blessed Western Isles ... across the Ocean where it is not too cold and rainy, across the Blue Sea where it is not too hot and dry, but Grace blows gently on the Island breeze and Peace runs in rivers to water the Trees.*⁶⁰

Black Man came out of Africa to cover the Earth, and Mama Africa came with him, Heritage of Birth. I have seen the Judgment: before, during and after. I have seen Redemption Here. JAH is the Master. He has raised up the Islands with His Mighty Hand, like Mountains round Jerusalem – *His Secret Plan*.

I&I Prayers have bound I&I Father to His Promise, yet His Providence may not be what I&I expected. He Alone knows what is best for His Children. It turns out to be more Justified than ever foretold. That is His Mystery and I&I Deliverance. *This is a land where His People Praise HIM.*

Destruction is decreed until the world is no more, yet Mama Africa will heal in time, and all the Earth. Soldiers keep raping Mama; she's sick and hungry; still the Earth is the Lord's and the fullness thereof. Mountains and springs, deep flowing rivers, starlight tonight on the coast of the sea.

Africa is the Root, all Creation Black Foundation. What JAH has premeditated none can put asunder. Marcus told us to look for him in the Whirlwind. Emmanuel said Earthquake, Lightning & Thunder.

Mother Nature has a way of restoring Her Balance. RASTAFARI is Boss; He's still running this Show. *But Downpressor Man, this I want to know: Where you gonna run to? Where you gonna go?*⁶¹

Seven years ago I was standing on a Mountain watching the City burning and I heard the sound of weeping for her by the kings of the world who had fornicated with her and lived in her luxury. And I heard the traders who made a fortune out of her; I saw the captains and sailors who were keeping a safe distance, watching the smoke as she burned: *Mourn for this great city, Mystery Babylon, for all the linen and purple and scarlet you wore, for all your finery of gold and jewels and pearls; whose lavish living has enriched more and more every owner of a sea-going merchant ship; doomed as you are within a Single Hour.*⁶²

⁶⁰ From the Lost Prophecy of the Israelite Order of Essenes (Saints) about the Destiny of the Righteous, from *The Writings of Josephus*.

⁶¹ From Peter Tosh *Downpressor Man: Equal Rights* (Columbia: 1977).

⁶² *Revelation* Chapter 18 (8:45-9:43 AM Sept 11, 2001)

And I saw in the city all the blood that was ever shed on Earth. Then I saw al Mahdi on the Clouds and behind him the King of Kings standing in the Heavens, praying. The Beast rallied the Rulers of the World to make war against the People of God. For many years they had been imprisoning Rastas for worshipping the Father, even bombing Muslims so they could plunder all the blessings of Abraham. I said: *These things have certainly come to pass.* And finally I saw on the horizon a huge explosion, a Fireball blazing across the sky in all directions. All the people were fleeing before it; some who had no time to reach the mountains decided to go into the sea. But because of the Earthquake, a giant Wave rolled crashing across the coastline, Flood Without Rain, and I turned to Daniel asking: *Is this the Day when each Soul meets the Lord?* Daniel answered: *The Time of Waiting is over.... Write down the words of the Book. Many will be cleansed, made pure and purged. The wicked will go on doing evil; the wicked will never overstand; the Learned will Overstand.* And John spake also: *Write it down. It shall taste sweet in the mouth and it shall be sour in the belly. It shall be Seven Thunderbolts for the Wicked; it shall be Seven Seals for Selassie I Children. Let the Four Winds of Devastation Blow! Let the Seventh Trumpet Blow also! Let JAH secret intention be fulfilled.*⁶³

*I AM angry with Nations, the leaders and armies. I have vowed them to destruction, and marked them down for slaughter.... Their land is drenched with blood ... its streams turn to pitch, its dust to brimstone.... It shall lie in hazardous waste age after age; no one will pass thru it. It will be the haunt of pelican and porcupine, the owl and the raven will make their home there. Over it I will stretch the measuring line of chaos and the plumb line of emptiness.*⁶⁴

I&I who are spared are those not caught sleeping. The burning lake on one side, ZION on the other. Christ said: *stand ready*, so we pack salvation bags. Our refuge is the hills, in isolation take cover.⁶⁵

The home will not be safe, neither the roadways. Consider what is needful of the things that remain. Like Joseph I warn ye: *Store corn and bean seed, fire steel or fire lens, blade and covering from rain.*

If Satan offers life and JAH says: *No – Time to Go*, whom will you follow? There is life that leads to Hell. There is death that leads to Life, and Life into Life. This Exodus is for the Living. Rasta wish you well.

⁶³ *Daniel* 12, *Rev* 10 ⁶⁴ *Isaiah* Chapter 34 ⁶⁵ *Matthew* 24:15-22

Can't come to ZION with no baggage of bribes.
Can't come to ZION with no systematic vibes.
Mother Earth is for I&I who cherish the soil.
Rain or sun, rest or toil: that could never spoil.

There shall be 7 years of Nyahbinghi, night and day.
The ban will be lifted from the tree of righteousness.
As it was at the Alpha so shall it be at the Omega.
Every tree, every breeze will repatriate and bless.

Let us make a flute from the bamboo grass
to blend with the Drums, a river running down,
like a bird that sings in the wilderness:

Inheritance of Peace, that is to say, *Jeru-Salem*.

In the days of the Prophet Daniel, Nebuchadnezzar
commanded all the players of musical instruments
to sound the call to bow down to a golden idol.
Yet the Instruments cannot be blamed for the song
the devil has required of them. Let I&I take the
Instruments out of the dancehall and place them in
the Fire Circle. On that day every Instrument shall
harmonize in obedience to the Heartbeat Drums.
Nyahbinghi Rhythm will run things and there shall
be no more crying blues, no more angry gangsta
music, no more sinful slackness song, and there
shall be only the Hymn of Thanksgiving. Then I&I
shall have One Voice Chanting Glory. No more
superstars and fallen stars; there shall be only the
Stars of ZION. And the Black Race will shatter all
the races and absorb the races to become One.⁶⁶

Ras Elijah does not tolerate the word 'stepchild'.
He says: *Children is Children*.

A Father is Father to all Children.

A Mother is Mother to all Children.

*A man will pick up a dog by the side of the road
and say that is he dog.*

*Did he lay down with the dog mother
to make that dog? No.*

But the fireball dog is he own.

Far more for All the Children of Man....

*(May all your sons desire to be JAH favoured Sons.
May all your daughters be Righteous Daughters.)*

If we had refused to Know Christ Tafari as JAH,
then we could not be of Spirit,
because we would not even be Conscious of Spirit.
And not being of Spirit
we could not have been Saved,
because we would not have known God in Man.
And not being Saved, we could not have Manifest
that JAH is in I&I for Judgment and Grace.

*Only Antichrist could deny Ras Tafari is King.
Love conquers all, Faith inherits everything.*

The Submission of Isma'il and Isaac
is to Vow the Life unto the Lord. (Rev 12:11)

*Don't you know we are doing Our Father's Work?
Loving not our lives – we live just to fulfill.* (Luke 2:49)
His Light is glorified by the Saints blood spilled.

There is the *Peaceful Resistance* (Martin Luther King)
and there is *By Any Means Necessary*. (Malcolm X)

Across the dark valley is our High Destination,
and I&I should never cling to mortal life:
the journey of Spirit passing thru the flesh of Man.

JAH made us brave but fear is from Satan.

If you really take the Love of Jes'us to heart,
you will know that You are One with the Almighty.
If you never sight up the Divinity of Selassie,
how can You discover the Divinity of Your Self?
And if you never learn to Identify with Christ
then how can You be Saved?

And if He is not living Life Eternal
then He could not have Come Again.

If we arrogantly deny HIM Who did Come Again,
then we are pre-destined to miss the Glory Train.
But if we are humble to Know HIM
because His Title is clearly stated,
then all our deeds are done as JAH
and Love shall triumph over hatred.

He purchased our Freedom, I&I repent in Faith,
and manifest Works; it is a Blessed Assurance.
His Mercy upon us could never be in vain:
He restored His Holy Spirit within Us.

The Word of Truth was in His Mouth
and the Work of Redemption in His Right Hand.
He was sealed by the Father
and His Will was the Will of the Father.
Humility was His Identity; unto death He did Right.
I AM the Way, the Truth and the Light.

This Man's heart desire was for I&I to be as HIM.
Just as JAH sealed HIM, so the Saints are sealed.
Just as He did know HIMself:
God's only begotten Son,
so I&I know Ourselves: (John 10:22-39)
God's only beloved Sons and Daughters.
Just as He surrendered to do the Father's Will,
so I&I yield to HIM,
as Flesh yields to Spirit: *I AM THAT I AM.*

*The World must know that I love the Father.
If You know Me, then You know My Father too.
From this moment You know His Imperial Majesty.
Indeed You have seen HIM.* (John 14:1-31)

This is how we know that God is in Man:
Our Great Teacher hides no longer. (Isaiah 30:20)
We have seen His Face and live to tell it.

⁶⁶ From *The Prophecies of Daniel* 3:1-7, 2:44.

Hear the Turban Dread now; hear him tell I&I about the time Rasta rescued the Whales: Yes, 25 Pilot Whales had beached themselves, following after One – their Leader.

Ten Ras with buckets were wetting the Whales and covering them down with wet bedsheets. They carried 5 out where the water was deep but the Whales came back up on the beach.

Boboshanti was comforting and wetting a Whale. She watched him thru giant tears she was crying. He realized she was pregnant, the Baby's Father had died, and she was the new Leader who could keep the rest from dying.

He called the other Bredren to take her out to sea. After that 13 Whales stayed out with her. These creatures are so loving and faithful and true that they always follow their Leader.

Marine Science and Army were all in the Press. 12 Whale bodies went to labs for testing.

A Marine Man asked the Idren:

How did you know how to Save the Living?

And Bobo showed him this piece of Blessing:

You don't have to teach RASTAFARI of Nature.

The Spirit is our guide, yes – the Heart a Love.

I&I see events to know Earth is in Danger.

We are the Living Flesh of the Man Up Above.

If anyone is thirsty, let him come to the I AM!

Let everyone come and drink who knows the I AM!

I gave My Own Son to pay for the sins of man.

The Blood of My Son is upon each sinner's hands.

Just as He can surely be your personal Saviour, for your personal sins He was surely condemned.

To prevent awakening the Wrath of the Lion, repent and forsake the sins that crucified the Lamb.

I give Thee ZION Hills on Elysian Isles of Paradise.

Before Abraham ever was, I AM THAT I AM.

I have come back to You. The I must overstand:

I AM in You and Man in God and God in Man.⁶⁷

So this is the day on which the Truthful Ones profit from their Truth: theirs are Gardens, with Rivers flowing beneath their Eternal Home, God well-pleased with I&I, and I&I with God.

This is the Salvation, the fulfillment of all Faith.⁶⁸

From the Beginning there has been Inity: the Heavens revealed it and became clear, the Earth revealed it and became firm, the Valleys revealed it and became fertile, all things revealed it and came into Existence.⁶⁹

Apostles and Martyrs are the First Resurrection.

I&I who have never worshipped the Beast, knowing that the Word is greater than the Sword – redeemed from the world, virgins unto the Lord.

This time and times and half a time are for Virtue.

Be ye not adulterated by idols of the System.

Nothing shall ever by any means hurt you. (Lk 10:19)

The Armies of Heaven ride against Satan's legions.

In this Battle of the Apocalypse,

I&I are surely outnumbered.

We take them on in twos and threes:

the wicked conceptions in high and low places.

The Righteous who are Taken Up

shall Rise to Living Life Again.

As for oppressors and demon-possessors – we shall not speak of them. *Nyahbinghi.*

The Devil was bound when the Gospel Age began.

The Saints have reigned a 2000 year millennium.

Our flesh was tormented, our souls never branded, and now Gog and Magog overrun Jerusalem.

Satan has been loosed to deceive the nations

for a short time now the millennial years are done.

I&I call down the Fire in this Judgment Mission.

It is already done: JAH Kingdom Come. (Rev 20,21)

Fire pon False Prophet Israel, U.S. Aggressor Beast!

Fire pon Queen of Babylon and Pope Dragon Rome!

The Companions of the Lamb glorify the Lion Man Who rules in the Light of the Three in One.

He is I&I High Priest, Prophet and King.

He is I&I Father, Holy One and Son.

Wherever the I gather, I will be there.

Wherever the I live, I will live there.

RASTAFARI People shall be My People, and Blackheart Israel God shall be My God.⁷⁰

Planet Earth is Our Mother: Sacred Celestial City.

Written on His People is the name: *Christ Messiah.*

Even the name: *ZION*, Gardens and Mountains,

and His new name also: *JAH RASTAFARI.* (Rev 3:12)

I&I Give Thanks for Word Sound Power,

Guidance and Protection and Merciful Grace,

WisWise and Knowledge and Overstanding,

Thanks for Patience and Faith,

Courage and Strength.

Sing Victory to HIM: Conquering Lion of Judah,

Elect of Himself, King of Kings and Lord of Lords.

See and Know that I AM HE and HE IS I.

Yes, He that Giveth I&I Life and Love Farlva.

I Negus Rule Israel ... Hola Emmanuel – I.

Blessed Marcus – I ... Haile – I – Selassie – I.

Reunion Time: Mother ZION, Father RASTAFARI.

⁶⁷ From John 7:37-39, 8:51-58, 14:18-20.

⁶⁸ From The Holy Qur'an 5:122.

⁶⁹ The Tao te Ching

⁷⁰ From The Book of Ruth 1:1-16.

AFTERWORD: Morning and Evening

When I look back, Children, before these days of Repatriation,
I can see from a distance how it started with a Dove (Jn 1:29-34)
that rested on Him – He Who is full of InSpiration:
Spirit of the Most High JAH, Power of Peace and Love.

With His Gospel He bound the Roman Dragon in chains.
Spies came to bargain with the Dragon: Caesar and Pope. (Rev 20:1-3)
Mighty still, yet bound in steel, unable to rearrange
the Truth, which was our Faithfulness, our Patience and Hope.

We rallied with the Martyrs so we suffered for His Sake.
I&I always resurrected – born again, Time and Again – (Rev 20:4-6)
to reign with Christ in Spirit. Not for us the Burning Lake.
We bravely rode on with Our Lord to bear with Him His Pain.

By the time we saw Selassie upon His White Horse, (Rev 19:11-16)
the Beast, in the Realm of Spirit, had already been destroyed –
a stolen land, America – depending on sabotage and force,
claiming to guard the rights of men, yet deep in a moral void.

Before the Jews took Palestine the King already ruled in ZION.
Jews looked for the Ark but where it was they couldn't tell.
Bogus prophecy they claimed; indeed the presence of the Lion
made us see – Spiritually – False Prophet down in Hell. (Rev 19:17-21)

JAH loosed the Dragon in those days, cut free his iron chain, (Rev 20:7-8)
that he might cloak himself in wealth, outshine the Gospel News,
till even the devout sold out to gain in vain from Satan's reign,
and Haters multiplied worldwide for Lucifer to use.

When Rome invaded ZION who but JAH could defend her?
All the armies of mankind prepared to fight a world war. (Rev 20:9-10)
Fire rained down all around and forced the Dragon to surrender.
Antichrist is burning and will burn Farlvamore.

The Queen looked on as Babylon thru men and years continued falling. (Rev 18:1-3)
Benedict, a Dragon of Rome, in sinking sand by a fiery lake.
Ariel Sharon, a Lying Prophet, living dead in Hades crawling.
Obama, wearing crown of Beast, like all of them was Fake. (Rev 16:12-16)

All of them in the burning lake and still she drank her magic potion,
trying to stay the Judgment Day with quantitative easing.⁷¹
Levitated by sorcerers, she floated, falling in slow motion.
All the nations doomed by sin, yet bacchanal increasing. (Rev 20:11-15)

We saw these things revealing, but who would believe us?
They refused all the Prophets who preached a true warning.
Many of I&I strayed as wealth of Babylon deceived us.
Saints prepared for Judgment while fools were busy scorning. (Mt 24:42-44)

I'm here in the forest pounding yam in the mortar.
My Lord is in the ravine planting eddoes by the stream.
Come, let's work the garden till daylight gets shorter.
Then I'll tell you more from Scripture, or a Vision from my Dream. (Rev 21:5-7)

⁷¹ Printing paper money without anything of value to back it was often the downfall of covetous nations.

Children, let us speak of this: The Knowledge of Spirit.
In longtime days the way was clouded in mystery.
Masters ensured that the path remained secret.
People thought the rites were superstition or history.

Egyptian priests and Greeks had underground chambers
to journey thru the Spirit Realm in fasting meditation.
Hindu monks and Buddhists trod high mountain ranges,
watching from the heavens, Mystic Eye contemplation.

Hopi Shamans spoke of Sorrows: warnings from the Spirit,
but most people lived their lives asleep to Signs and Visions.
If evil forces plagued them they knew not how to cure it.
That's why few were ready on the Day of Decision.

Some Churches said Spirit is restricted to the Bible
and Dreams are an illusion, waste of time to unfold.
Belief was the only rite of orthodox revival.
Believers didn't Know the Half that's never been told.

Christ Himself had preached about the Kingdom of Heaven,
but few Christians knew the Infinite I Deep Within.
That Realm was outside of Time, yet in them and their Bredren.
They had been there before and could go there again.

Prophets teach the Purposes of God, as Sons of Man.
Angels guide the Prophet whose Third Eye is open.
Muhammad reached the heavens and channeled the Qur'an,
as given us by Gabriel and thru the Prophet spoken.

Peace is on Him and all who radiate the Spirit.
Everyone outside of Spirit was removed from the Earth.
At the time of their passing all they knew was to fear It.
They couldn't find the Kingdom or the way to rebirth.

But we belong there, Children; go freely and enter.
I've taught you breath of chakras, to ground yourself in place,⁷²
to close your eyes and watch with the Eye in the Center:
Patterns clarify as mist departs from realms of inner space.

Each of you has learned the life of prayer, sweetly reverent.
Fasting and repenting: First Chapter Spiritual Learning.
Lie down fasting on the Ground; you'll travel Earth in Heaven,
I AM as Guide to clear the track, direct the I returning.

And when you return please tell us something of your Passage.
What did the King say wisely as you sat aright his chair?
It's all the Will of God, he said – that was His Message.
We will visit Saints and Idren in the times we journey there.

Go now and fly over, take a trod, venture in there.
Between starlight and firelight the Universe is deep.
Children, we are Ancient Ones, so chant the I-ncient Prayer:
I&I pray the Lord, Most I . . . our Souls to Keep.

⁷² Breath control meditation draws the Spirit thru seven nerve centers from crown of head to base of spine.
